COOPERATIVE PROGRAM REPORT

The Cooperative Program, as we know it, was adopted by the Southern Baptist Convention in 1925. For more than 45 years, it has been a channel for our mission work around the world.

This system of voluntary co-operation on the part of our churches has been and still is a sign of strength. Through such co-operation, both the small and the large churches can have a part in the expansion of the Kingdom of God to the ends of the earth.

This system of giving enables the individual Christian to join hands with others in sharing the gospel with some he would never have the opportunity of meeting face to face. Thus it makes a missionary out of every giver.

While it was never intended to ursurp individual responsibility for being Christian where one is, it was intended to help the Christian become a more effective child of God in a world that desperately needs His witness.

Why not see to it that your church either begins giving or increases its giving through this channel of Christian witness?

CHRISTIAN ACTION LEAGUE REPORT

The Christian Action League is an interdenominational effort to give the Christian citizens of North Carolina a unified voice in expressing their concerns as citizens over the religious and moral nature of some types of legislation. It also provides a means of unifying the efforts of citizens who are Christian to promote good legislation.

The Christian Action League works in three different areas.

I. LEGISLATION: The Christian Action League keeps the people back home informed of the issues of Christian concern before the General Assembly and suggests to them ways in which they can influence pending legislation. The concerns of the Christian Action League are normally evident where legislation concerning alcohol, narcotics, gambling, and immorality are concerned. Through the work of the Christian Action League a bill to allow local option elections on liquor-by-the-drink was defeated in the House by 59-48. At the time this report is being written another such bill is being prepared for consideration.

The Moore County liquor-by-the-drink bill passed by one vote when one representative switched his vote from "no" to "yes" at the last minute. The Christian Action League is leading in an effort to get State wide support for those in Moore County who will oppose liquor-by-the-drink when the election is held.

II. EDUCATION: The Christian Action League in continuing a program of education on the effects of alcohol that is aimed at teen-agers both in schools and churches. This program includes lectures to youth groups and making available 16 mm. films on the effect of drinking.

III. LITERATURE. The Christian Action League has distributed thousands of copies of the Readers Digest article on the effect of alcohol on the brain cells and has distributed 5,000 copies of Marse Grant's Book

Whiskey at the Wheel. The paper, Tomorrow, is published monthly and sent primarily to pastors across the state.

BIBLICAL RECORDER REPORT

At a time when some religious publications are losing circulation, it is good to report that the Biblical Recorder has passed 93,000--the highest circulation in its 138-year history. This circulation is a tribute to the Baptist of North Carolina who support the paper so faithfully.

Even though inflation continues to create problems, you can receive the Recorder under the Church Budget Plan for the same price it was in 1960-only $2.00 a year. It is not known how long this reasonable price can be made available and that is all the more reason churches should enlist immediately.

The Recorder likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however the Recorder does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local option liquor by the drink elections in Moore and Mecklenburg Counties. The Recorder stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people--it stands for something.

The Recorder appreciates every reader and supporter. The cost is reasonable. You can receive the Recorder under the Church Budget Plan for only 4¢ a week--half the cost of mailing a letter. There is no more economical way to have an informed membership than by sending the Recorder to every family.

EVANGELISM REPORT

All Christians need to thank God for the renewed interest among Youth in evangelism. This was evident during the Youth Evangelism Night this past February 2nd when almost 20,000 youth and adults overflowed the Greensboro Coliseum and the War Memorial Auditorium. 1,519 decisions were made by these youth. Also many youth in churches across our state are involved in witnessing for Christ in unique ways.

There is tremendous interest in North Carolina and the entire Southern Baptist Convention in the new WIN materials on lay witnessing and the one week Lay Evangelism Schools. Over twenty-five associations have already started specific planning toward a one week Lay Evangelism School in their area. The first Lay Evangelism School sponsored by the Division of Evangelism will be November 1-7 in the Mecklenburg Association. Other one week dates have already been confirmed in several associations. Jesus reminded all Christian laymen of our task in Luke 24:48- "And ye are witnesses of these things." Thousands of laymen and youth will respond if they are properly challenged and trained.

The Division of Evangelism in cooperation with our Brotherhood Department and the N. C. United Methodist Conference will sponsor four Regional Evangelism Conferences for Baptist and Methodist men during October 18-19 and 21-22, 1971 across the state. Lay evangelism will be the emphasis of these evening meetings. Dr. Ben Johnson of Atlanta, Georgia who has assisted Dr. Billy Graham and Dr. Ken Chafin in several conferences, and Dr. Ralph Neighbour of Houston, Texas will be the two main speakers. Rev. Bob Gibbons will be the guest soloist. Laymen will preside, share personal testimonies and have the Scripture and Prayer.

The 26th Statewide Evangelism Conference will be February 7-9, 1972 at the Cumberland County Memorial Auditorium in Fayetteville.

The next Statewide Youth Evangelism Night will be on Friday evening August 18, 1972 at Greensboro Coliseum.

Remember to pray earnestly for the non-Christians in North Carolina and around the world that through our efforts together the Holy Spirit may lead many persons to commit their lives to Jesus Christ.

BAPTIST HOSPITAL REPORT

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients--that is, patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basis policy of providing care--now the highly specialized care for the more difficult cases -- for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism". The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September 1971. A statewide Development Campaign, initiated with pledges totaling $177,182 from employees of the Medical Center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptist with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is missions too.

BAPTIST CHILDREN'S HOME REPORT

Let a graduating senior express what it is like to live in one of our Baptist Children's Homes: "I really do not know how to write about a place which has been so fine, and which has given me the opportunity to worship, work, and learn; not only where we stand in moments of comfort and convenience, but where we stand in moments of challenge and moments of controversy. After all these years, one finally learns that certain values and practices are good and sound and help children to feel secure and happy."

This statement could be made by almost any senior regarding his home and community, for a child in the care of the Baptist Children's Homes has basically the same attitudes and values as other children. He differs from other children only in the tragic experiences which have made it necessary for him to live away from his family. For these children, it is our mission to provide loving care in the Spirit of Jesus Christ. We want to work in harmony with what we sense God is doing in the life of each child, enabling the child to tap his own inner resources and grow to responsible adulthood.

The pursuit of this basic goal has led the children's Homes to develop a variety of services, all family centered. Some families need resident care for their children and for these we have group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in higher education. For churches involved in day care, we provide a demonstration program and consultation service. We welcome individual inquiries regarding any of these services as the need may arise.

Our services are made available through strategically located facilities throughout North Carolina: in the East at Kinston, Pembroke, Fayetteville and Raleigh; in the Piedmont at Chapel Hill, Thomasville and Charlotte; in the West at Asheville and Waynesville.

Staff members and children of the Baptist Children's Homes are grateful for the harmonious relationship we have shared with North Carolina Baptists. The churches have expressed their confidence and support through increased Cooperative Program gifts and a 1970 Thanksgiving Offering of $380,000. Individuals continue to give generously and to become involved in our varied ministries. We accept this support as an investment in all that we are doing and we pledge ourselves to translate your investment into quality Christian child care.

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union assumes responsibility for helping the church fulfill its mission in the world. Major emphasis is placed on Contemporary missions.

On October 1, 1970 the church WMU organization was recast into a new group-grading plan in order to do its work more effectively. The plan has four divisions, Adult, Youth, Children and Preschool. Woman's Missionary Union continues to be the overall name for the missions organization for women, girls and preschoolers. The names of age-level organizations in the four divisions are: Adult, Baptist Women; Young Adult, Baptist Young Women; Children's Division, Girls in Action; Preschool Division, Mission Friends.

The group-grading plan is a means of helping churches do God's work in a better way. The preschool division continues to provide experiences for boys and girls. All other divisions are designed for girls and women. The Brotherhood organization provides Missions experiences for boys beginning with age six.

WMU periodicals are Dimension for WMU officers; Start, for Mission Friends leaders; Aware for Girls in Action leaders; Discovery, for Girls in Action members; Accent for Acteens members and Accent Leader edition for Acteen Leaders; Contempo for Baptist Young Women and Royal Service for Baptist Women.

Preparation for leadership began with a workshop at Mundo Vista, Asheboro for all Associational WMU officers. The South Yadkin Associational WMU leadership conference was held in September for all WMU leaders and Baptist Women officers. Miss Kathryn Bullard, State Baptist Women Director lead the WMU Director Conference, with other Conference being lead by Associational Officer.

Each quarter associational officers met to make plans and preparation for assisting local churches. Assistance was given when requested. Churches without a mission organization were contacted and strong churches gave assistance in this area.

A workshop for day camp leaders was directed by Mrs. J. D. Wyatt Associational Girls in Action Director. Girls in our Association attended the Regional South Mountain Baptist Camp and G. A. camp at Mundo Vista.

The sixty-eighth Annual Session of the Associational Woman's Missionary Union was held at Statesville First Church April 27, 1971. Living the Spirit of Christ in Openness and Freedom"was our program theme. Mr. R. C. Johnson, retired home missionary was our afternoon speaker. He presented a need for help with local juveniles. During the supper hour Acteens form five churches invited everyone to visit their Missions Carnival where displays were set up to show mission opportunities. Dr. Alton Hood, Missionary on furlough from Thailand spoke on his service in the night session.

Officers elected for 1971-72 were: WMU Dir., Mrs. Elmer Johnson; Assistant Director, Mrs. R. H. Hudgins; Baptist Women Director, Miss Dare Teague; Baptist Young Women Dir., Mrs. Ralph Bentley; Acteens Director, Mrs. G. L. Bowles; G. A. Dir., Mrs. J. D. Wyatt; Mission Friends Dir., Miss Jane Wooten.

Director

In this first year of a new decade when Southern Baptist are reexamining the Spirit of Christ, the American Bible Society's statement of purpose takes on new meaning and significance. In the words of ABS General Secretary Laton E. Holmgren: "The sole purpose of all Bible Society activity is - and always has been - to provide men, in intelligible and convincing speech, with the record of the 'wonderful works of God'. . It is this concern for the redemption of the world - for the whole life of the whole man in the whole world - that permeates the work and witness of all those concerned with the Bible Society movement ...If possible, every man on earth must be told of the Savior in his own tongue and given the opportunity to surrender his life to Him. This can only be done if we 'press with vigor on.' "

The American Bible Society is grateful for the privilege of serving as a partner of Southern Baptist in providing the Bible as a tool for missions. We are aware of the need not only to keep up with the normal increase in demand for the written Word, but to forsee the conditions and circumstances within which people will be living in this decade of the Seventies.

As a missionary non-profit organization, it serves churches of many denominations at home and abroad. It helps missionaries translate the Bible. It published without note or comment. It distributes without profit usually below cost, and without any charge in cases of special need. For the Blind it supplies Scriptures in Braille and other raised-letter systems Talking Bible records and Tape recordings.

During 1970 the American Bible Society - -

-aided in providing technical assistance to more than 3,000 translators working in more than 800 languages and dialects. At the close of 1970 at least one book of the Bible has been published in 1431 languages: the Bible in 249, a Testament in 329 more, and portions in 853. Many, however, still wait for the Bible in their own language.

-donated 4,329,599 Scriptures for chaplains to the Armed Services, a 94.3 per cent increase over 1969. Many of these were distributed by Southern Baptist chaplains.

-distributed 99,595,465 Bibles, Testaments, Portions and Selections, a 30.7 per cent increase over 1969. An attempt was made to reach every home in South Carolina and Arizona with a New Testament or a packet of specially designed Selections. The world distribution of all the Bible Societies totaled 173 million, equivalent to one copy for every 21 persons in the world.

-continued to develop Scriptures in everyday speech. "Good News for Modern Man" in Today's English Version New Testament published in September 1966 has a distribution of 25 million copies. On December 1, 1970 the first book of the Old Testament, "The Psalms for Modern Man" was available in Today's English Version. Job is to be available in the fall of 1971 in time for Southern Baptists' January Bible Study.

In 1970 Southern Baptist Churches gave $233,185 to the American Bible Society and stood first among all denominations. Gifts from all churches in the U. S. A. totaled $1,413,045.

Although Southern Baptist lead in total gifts, the per capita gift from more than 11.6 million members is only a little more than 2 cents per year.

Southern Baptist can lead, even in per capita gifts--if every church will give each year. Has your church given this year? Here are suggestions, based on what many churches are doing: Every church can give at least these amounts each year: Smaller churches, $10-$60; larger churches $60-$300; and great city churches $300-$600 or more. Please send gifts to your Baptist state office marked "for the American Bible Society."

RELIGIOUS LIBERTY REPORT

Until there were Baptist, few, if any, thought of the possibility of separation of church and state. In 1636 Roger Williams established the first Baptist church on the American continent and also he founded the first state in all history where complete religious liberty was guaranteed to all. It seems well established that this principle, which came to be expressed in the First Amendment to the American Constitution, came largely from the interpretation of the Bible by a people called Baptist.

The First Amendment says, "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof." The constitution of each of the states in the United States has a similar provision. However, financial pressures on our Baptist institutions and the fact that the federal government has been granting financial aid to private and denominational institutions, have caused some Baptist institutions to be willing to accept tax aid. Recently, in more than forty of our states, legislation has either been passed or is pending or has been defeated, which would give tax aid to private and denominational institutions.

Our President appointed a special "Panel on Nonpublic Education" in 1970 with the specific purpose of finding ways to channel tax funds into religious schools, in violation we believe, of the Constitution which his oath of office promised to defend.

Southern Baptist have been very insistent that books published by the denomination maintain the generally accepted doctrinal position of Southern Baptist. However, while not all of our people would be affected by questionable statements in books, all of our people will be affected if we give up our basic distinctive doctrine of soul liberty.

Accepting tax money for our Baptist institution also gives notice that we do not think enough of them to support them ourselves.

We would ask that this association go on record, by adopting this report, that we

1) Declare anew our belief in separation of church and state, based on the Biblical principle of soul freedom.
2) We would call upon the Trustees of our Baptist denominational institutions to abstain from asking government funds. We believe the dignity of an institution which bears the name of Christ forbids its becoming a beggar, asking people who do not believe in Christ to support it.

3) We call on our own people to support these institutions. If their existance can be justified, their support should be our imperative. The responsibility always comes back to the individual. Souwe would call on the members of our churches to practice Christian stewardship, which would assure the stability and continuance of these institutions.

4) We would call upon our legislators and our governors and our president to remember their oaths to uphold the constitution and to resist any and all pressure to use tax funds for the support, either directly or indirectly, of any religious institution.

We would also call attention to the fact that Americans united (POAU), a Baptist- inspired organization which has as its sole purpose the maintenance of the principle of separation of church and state, deserves the support of our churches and individuals. Many churches have a budgetary item for POAU. A gift of as little as $25.00 per year gives a church "Scroll" status and will bring at least 10 copies of Church and State to the church library each month.

The Southern Regional Office is located in Room 108, 215 Church Street Building, Decatur, Georgia 30030. The National Office is 8120 Fenton Street, Silver Springs, Maryland 20910.

HOMES FOR THE AGING REPORT

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes,Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yancyville. In these Homes, our residents are loved and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptist. They simply could not be maintained, and the homes could not be operated without the Special Offering, designated gifts from the churches and the Cooperative Program. We would urge our Baptist people, therefore to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000.00 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an additional $80,000.00.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to him.

CHRISTIAN HIGHER EDUCATION REPORT

The seven Baptist colleges enrolled a total of 12,627 students in 1970 and 71.

Cooperative Program - The Baptist colleges in North Carolina continue to be grateful for the vital financial support which comes through the Cooperative Program. Outside of student charges, the Cooperative Program is the largest financial source of annual income for our colleges. During the past year these amounts were: Campbell - $302,350; Chowan- $184,360; Gardner-Webb - $193,578; Mars Hill - $261,791; Meredith - $261,791; Wake Forest University - $447,995; and Wingate - $191,735.

Crisis in Private Higher Education - Throughout America, more colleges join the ranks of the financially distressed every day. Some schools have been forced to close and others are moving steadily toward the crisis stage. Some of the contributing factors are: general inflation of the costs for buildings and all services; the great need for student financial aid; a decrease in endowment earnings during an uncertain period for investments; contributions from individuals and groups have not kept pace with the inflationary spiral; increased tuition and fees, always the last resort, have made student recruitment more difficult, aggravating the crisis to critical proportions.

Fortunately, none of our North Carolina Baptist schools is in deep financial difficulty at this moment. However, these are the pressures under which our schools must live from year to year.

Baptist College Day - One way our churches can help to relieve the financial burden of our schools is through the Baptist College Day offering. Every year many of our churches provide scholarship aid for needy North Carolina Baptist students by means of special offering. Other churches prefer to include this as a regularly budgeted item. We urge more of our churches to enter into this investment in our youth.

Gardner-Webb College Graduation - Gardner-Webb college granted degrees to 278 persons on May 16. This was the first senior class to graduate since the former two-year college moved to senior status. President E. Eugene Poston, the faculty, and staff are to be congratulated upon completion of the academic and building expansion requirements, which should earn full senior college accreditation for Gardner-Webb by December of this year.

Meredith President Resigns - Dr. E. Bruce Heilman resigned as president of Meredith College, effective September to become President of the University of Richmond. Dr. Heilman's administration at Meredith was marked by progress and growth, and a deep sense of involvement with our Baptist people. The University of Richmond is to be commended upon their selection of a new president, and we wish for Dr. Heilman continued success.

Baptist Youth Corps - The Baptist Youth Corps is in its third summer of successful operation. This is a joint venture involving the Baptist colleges, the Church Training Department, and the local churches. There were more applications for these student workers than could be filled this year, and an effort is being made to recruit a larger number for the summer of 1972. For a small investment of money a church can have the benefit of a summer worker from one of our colleges who has been carefully screened and trained for this particular assignment. Inquiries may be made through the Department of Church Training of the Baptist State Convention.

Our Common Goal - Together we seek to provide opportunities for students to seek truth in an atmosphere of freedom, guided by persons who are committed to God as He is revealed in Jesus Christ. This ideal always exceeds our grasp. However it is the ever present goal toward which we strive. The prayers and active support of North Carolina Baptist are necessary ingredients in helping the actual and the ideal to move more closely together.

EXECUTIVE PROMOTION COMMITTEE REPORT

The Executive Promotion Committee had three meetings during the past associational year. The first was on November 17, 1970 at 7:30 P.M. At this meeting applications for state mission aid for pastors were presented from the following churches and their respective amounts applied for: Temple, $585.60; Bristol Drive, $768.00; Eatons, $1200.00; North Iredell, $384.00. These applications were approved.

Rev. W. E. Pope, Pastor of Monticello Baptist Church presented a scholorship application on behalf of Charles Morrison a student at Gardner-Webb College. The committee approved him for the scholorship from the college.

The next meeting was on May 17, 1971 at the associational office. The Missionary, Elmer Thomas discussed the drive under way to raise $50,000 immediately for Camp CaRAway's expansion program. Literature was available for the churches concerning this drive. Each man and boy in the Brotherhood was urged to contribute $1 to $10 to Camp CaRAway; this was to be sent directly to Ed Bullock, P.O. Box 26508, Raleigh 27611, designated for Camp CaRAway. Brother Thomas brought the following recommendation from the Advisory Steering Committee of the Association; that a part-time worker in Family Counseling Services be employed beginning in July. He would work with the courts and troubled youth and their families. Mr. R. C. Johnson, having had experience in this work was recommended and approved for this work. His salary to be $100 per month and $50 car allowance. The state mission office at Raleigh will pay $50 a month of his salary and we will pay $50 plus the amount of car allowance named above. His salary and car expense for the remaining 3 months has already been paid into the associational treasury by one of the churches over and above their regular contribution. The committee also recommended that the North Iredell church having been under the watchcare of the association for over one year be admitted into the association and their messenger be recognized at the annual meeting. This was approved.

The third meeting was held August 17, 1971, 7:30 P.M. at the Associational office.

Mr. R. C. Johnson reported on the good response he has had with the courts in his family counseling work. He reported several conversions and committments and rededications to the Lord in his camp work with boys also.

The following business was transacted:

1) Tom Bodkin was elected Sunday School Director in place of Carroll Harris who had resigned and left us.
2) Requested $384.00 from State Missions toward our Associational budget next year.
3) Schools of missions were suggested for the fall of '72 or Spring of '73. This is to be checked into further and voted on at another meeting.
4) The body voted to include in the minutes the messengers from the church letters instead of the registered messengers.

Since the secretary of the Executive Promotion Committee resigned and moved away. These minutes were summarized and submitted by Elmer Thomas.

Respectfully submitted,
Elmer Thomas, secretary pro-tem

REPORT OF SOUTH MOUNTAIN BAPTIST CAMP

You can rejoice in the victories at your camp this year. We, the staff at South Mountain witnessed many thrilling experiences during the summer. Over 3,500 came for some type of organized activity this season. 1970 attended our camps. Hundreds came by for a visit. 69 attended from your association.

We had 1150 decisions for Christ. Of these 317 were professions of faith.

We maintained a dedicated staff of 22-25 whom God used in a wonderful way. They went into fifteen churches on week ends to sing, show slides and give testmonies about their experiences with Christ at camp. We are deeply grateful to them for this extra service rendered to the Camp.

Johnny and Rhea Ross were the very able assistants of T. A. Lineberger, Camp Director. Your director is very much indebted to his whole family for the success of the Camp. Our Theme for the year was, "Showing Christ to the World." Rhea Ross wrote a new song to help remind the campers that every Christian has the responsibility of showing Christ to the world. Each week during the summer we had a Missionary to help give each one a worldwide vision of our responsibility. Campers studied organization work each day.

We had a good year financially. From camp receipts during the year we deposited $30,500.00 into the general fund, operating expenses were $22,700.00. During the year we paid off a $9,000.00 note plus $700.00 interest. Funds came in well during the year for the future Chapel. $4,177.00 is in this fund now.

IMMEDIATE NEEDS: Caretakers home to be built, winterize building, sow grass in play area, fix crossing at river, build bunk beds, build chapel, finish missionary cottage, increase water supply.

Improvements during the year: painted assembly building, two cottage and store, covered water line, landscaping, enlarged play area, graded road to missionary cottage, paved basket-ball court, built office, sowed grass.

Respectfully submitted

T. A. Lineberger

Church notes of Historical Value:

BLAISE-Rev. Mark Corts, Pastor of Calvary Baptist Church, Winston-Salem, N.C. conducted a very successful revival in October 1970. He also conducted a very impressive Youth service in the Spring of this year.A new addition to the Educational Building in now under construction. In July,10 young people and two counselors attended the Church Training Week at Ridgecrest.

Dr. John Robertson, father of Dr. A. T. Robertson was born in Virginia in 1823. He died at his home in the Cool Spring Community in Iredell County on June 29,1914.

We are planning to publish a history of our Association by our annual meeting in 1973. I would like for the churches to forward to me any information that would be of historical interest. Such as pictures of early buildings,pictures of pastors, old newspaper clippings relating to the church, excerpts from old minutes and a brief history of the church. I have some histories; however none are up to date.

I appreciate the cooperation the pastors and clerks give me in the preparation of the historical reports.

Respectfully submitted,

The salary for our missionary has been changed in keeping with the rise in cost of living.

The travel allowance has been changed for the above reason. Actually the government would allow $2,400.00. It appears that $2,100.00 would be reasonable.

The Christmas gift change will allow $80.00 for the missionary, $40.00 for the secretary and $40.00 for Mr. Johnson.

$1,200.00 has been added for Mr. Johnson as the Association's part in his counseling services.

"Workshop and Training" was deleted. Expense here will come from "Organizational Promotion" items.

We are asking churches to contribute 2% of their annual budgets to the program of the Association. This figure including the $384.00 from the State Convention, is approximately $26,000.00. Thus, our suggested budget of $23,963.32 appears to be safe and sound. The minutes of the Association will cost $1.25 per copy again this year.

We do want to thank you for your support and interest in the past. We encourage you to be faithful in your support of the South Yadkin Baptist Association.

I have examined the books and records of the South Yadkin Baptist Association for the year ending September 3, 1971 as submitted by the treasurer, Mrs. C. T. Keller. During the course of this examination, nothing came to my attention to indicate the financial reports are not correct, as submitted.

HISTORY OF IJAMES CROSS ROADS BAPTIST CHURCH

Prior to 1896 meetings were held in a brush arbor near Glasscocks's Fo on Bear Creek. Some of the local people had been attending church at Eato Baptist church. They considered this to far distant so a movement was star to hold services within the community. Dr. J. N. Stallings was at that tim Pastor at Eatons. He began services here on a monthly basis. With the help of Eatons Baptist Church a Sunday School was started and Mr. Richard Eaton served as the first superintendent.

The church was officially organized by Dr. J. N. Stallings and Rev. T. M. Caudle in September 1897. Rev. S. D. Swaim was called as the first Pastor.

Following is the first entry in the minute book:

> "On Saturday, May 20, 1899, the church was assembled in conference and Brother Isaac Ratledge and J. P. Dwiggins were ordained as deacons of this church."

Family names of early member were: Ijames, White, Ratledge, Dwiggins, Foster Chaffin, Beck, Powell and Booe.

In the early beginnings a small frame building was erected to the East of the present building and this was remodeled over the years. On March 2, 1952, the present sanctuary was dedicated. On October 5, 1969 the East wing was dedicated.

HISTORY OF SOUTHSIDE BAPTIST CHURCH

For years Mooresville had only one Baptist church. The history of that church and the history of Southside are inseparably united. First Baptist Church of Mooresville is actually the mother church of Southside.

It is never pleasant when difficulties creep into a church, but God takes these things and works them out for His glory. Out of division in one church came two strong churches that have labored half a century in winning the lost in this community.

The records of First Baptist Church were destroyed in a fire years ago, but relying upon memories of those present at the time, we find a group withdrew from Mooresville Baptist Church and formed what is now Southside Baptist Church with Rev. A. W. Wilcox of Mooresville as pastor. Approximately 89 members were in the group which withdrew from the mother church but only about 68 of these can be accounted for on old Southside records.

The group found a meeting place in a small building at the end of Church Street known as the Band Hall. It was here in either December of 1913 or January of 1914 that Southside Baptist Church was organized.

As the congregation grew, the church authorized its trustees to purchase a lot on South Academy Street from Mr. J. Y. Templeton for $300.00. This was done February 11, 1914. Not able to build immediately, the church planned a revival in the summer of 1914. A tent was placed on the lot and services conducted by Rev. A. W. Wilcox, assisted by J. W. Rice from Statesville. There were 40 professions of faith and 15 joined the church. Construction of the first frame church building was begun in the fall of 1914 and completed in May of 1915.

First known Deacons of Southside were W. E. Holcomb, J. F. Shoemaker, J. R. Howard, Jospeh A. Cashion, Charles R. Johnson, J. N. Levan and J. M. Hinson. First Trustees were J. Z. Poole, W. M. Holthouser and J. M. Hinson.

Wishing to be recognized as an organized Baptist Church, application was made to South Yadkin Association on September 2, 1915 meeting on that date at Mooresville Baptist Church. Delegates were C. R. Johnson, J. M. Hinson and J. E. Ellenburg. Their report was adopted and Southside was officially welcomed into the South Yadkin Association. Declining health forced A. W. Wilcox to resign in 1922 and he died shortly thereafter.

In November of 1922 the church called Rev. J. Clyde Yates of Statesville as pastor. After a pastorate of almost four years; Mr. Yates resigned to become a ministerial student at Wake Forest.

October 24, 1926 the church observed Homecoming Day with Rev. G. H. Liner of Fairmont, South Carolina as guest speaker. Following this he was called as pastor at Southside, serving the church from 1926 until the spring of 1929, when he resigned to accept a pastorate in High Point.

Rev. W. W. Abernathy succeeded Mr. Liner as pastor at Southside, moving to the field in April of 1930. He served the congregation faithfully until his resignation in September of 1933.

Shortly thereafter Rev. W. W. Rimmer of Cornelius was called as pastor of the church. He was known as a great soul-winner. During his pastorate the church set apart W. H. Mann for the ministry. Mr. Rimmer resigned October 3, 1937.

May 8th, 1938, Rev. Wade H. James began his ministry at Southside. Under his leadership the foundation of the first educational unit was laid, Mooresville Mills gave the church use of a house on South Academy Street as a pastorium. He resigned in September of 1939 to enter New Orleans Baptist Theological Seminary.

In the summer of 1939 Rev. W. G. Russell was called as pastor. During his ministry work on the educational unit was resumed and was completed in 1940. Two very wise actions were taken under his leadership - the unified budget was installed and the rotation plan for deacons adopted. He resigned August 15th 1944 to enter Southern Baptist Theological Seminary at Louisville.

In August, 1944 the church called Rev. J. C. R. Hendon as pastor. During his ministry plans were laid for a sanctuary and a building fund set up. Mooresville mills presented the church with a house to be used as pastorium, with the provision that "in the event this property shall cease to be used for religious purposes, the same reverts to Mooresville Cotton Mills...." Mr. Hendon resigned September 30th, 1949.

He was succeeded by H. O. Baker whom the church called on September 25th, 1949. Under his leadership the new sanctuary was constructed. Cornerstone was laid October 23, 1950 and first service held March 18th, 1951. He was a member of the presbytery that examined B. H. McDonald for the ministry and recommended his orgindation. Mr. Baker resigned October 31st, 1951.

Paul T. Brock was called as pastor December 23, 1951. Under his leadership the debt on the sanctuary was paid off, and a second educational unit was constructed. Open house for the new unit was May 17, 1959. During his ministry William H. Pope was set apart for the ministry, and Cascade Baptist Church became a mission of Southside. Mooresville Mills donated a house for pastorium, free of any legal ties. Rev. Brock resigned January 3rd, 1960.

Dr. B. A. Bowers was called to serve as interim pastor and served the church faithfully until P. C. Gantt of Tabor City was called as pastor in July 1960. In the nine years of his ministry here two men, Donald Phillips and Richard Phillips have been set apart for the ministry. A fiftieth anniversary celebration was held in 1963. In 1966 a beautiful new pastorium was erected on Highway 21. Cascade Baptist Mission was released and became Cascade Baptist Church.

In January of 1968 the church called John D. Hunter of Athens, Tennessee as its full-time Minister of Music and Education. The former pastorium was remodeled and bricked to provide a home for him and his family. Under his leadership the educational program of the church has been expanded and fully graded choir program initiated.

To all of these men of God we owe a debt of gratitude. We also cherish the members of years gone by who made such a definite contribution to the material and spiritual progress of this church in terms of their service and loyalty to Christ. Our prayer is that Southside Baptist Church in a field that is even yet "white unto harvest" will be true to her calling as a church of the Lord Jesus Christ.

COMMITTEE ON RESOLUTIONS

Be it resolved that we the messengers to the Ninety-Eighth Annual Session of the South Yadkin Baptist Association do express our sincere thanks to our Heavenly Father for his mercy and blessings upon us during this past year, and our appreciation to:

1) the host churches, Ijames Cross Roads and Southside and their pastors Rev. Franklin Myers and Rev. P. C. Gantt who provided so well for the messengers and guest during this session.
2) To the Moderator, to our Missionary and to all other officers of the association who have served so faithfully during this past year. Now as we close this Annual Session be it resolved that we leave this place of worship challenged to better serve our Lord in a more prayerfully and meaningful attitude.

RECEPTION OF NEW CHURCHES COMMITTEE REPORT

The Grace Baptist Church of Statesville has been under the watchcare of the South Yadkin Baptist Association for one year. During that period of time your committee has conferred with them and found them to be "Cooperative in Spirit" but not "Orthodox in Faith". They indicate on their application that their policy on Baptism places emphasis on belief and profession and not on its mode. This means they will receive non-immersed persons into their fellowship. Your committee believes this is in violation of the Baptist distinctive of immersion and not in keeping with New Testament doctrine and practice. The Constitutional provision under Article II on membership, Section 2 stipulates that "should no objection be raised" they then (at the conclusion of the one-year watchcare relationship) become members in regular standing. Your committee raises the objection that the Grace Church does not comply with Article II, Section 3 of our Constitution which says, "The New Testament shall be accepted as the sole guide in matters of doctrine and practice;" nor with Article VII of the Baptist Faith and Message which defines Christian Baptism as "the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit."

We, therefore, without casting reflection upon their Christianity and their sincerity, recommend that the Grace Baptist Church not be received into the fellowship of the South Yadkin Baptist Association

COOPERATIVE PROGRAM REPORT

The Cooperative Program is a part of the tithes and your offerings given through your church. Thus, your dedicated life with a part of your day-to-day labor goes toward witnessing to a lost world.

The Cooperative Program is sharing your love of God through 6,000 state, home and foreign missionaries. Last year they were instrumental in bringing more than 66,000 people to Christ who in turn followed Him into the waters of Baptism.

The Cooperative Program is busy training capable leaders by helping students with scholarships in more than 800 Baptist schools with more than 100,000 pupils around the world.

The Cooperative Program is ministering to the needs of the sick through 21 Baptist hospitals and 105 clinics in many nations. You helped more than 1,000,0 patients last year who could not pay the cost of their care. The Cooperative Program aids in bringing shelter, food, clothing and other necessities of life to 8,000 homeless children plus more than 2,000 elderly people through Children's Homes and Homes for the Aging throughout the world.

EVANGELISM REPORT

It is exciting what the Holy Spirit is doing through the ministry of evangelism in North Carolina. 6,000 youth and adults from 425 churches have now participated in Lay Evangelism Schools or Pastor's Retreats. The South Yadkin Association conducted three simultaneous schools, May 8-11, 1972. Directors were Jimmy D. Hinson, Associate in the Department of Evangelism; and two Charlotte pastors: Cecil Seagle and John Grant. 27 churches were represented in the total enrolment of 349 persons. 21 professions of faith were reported during the week.

Having completed additional studies related to the Lay Evangelism ministry five South Yadkin pastors are certified to serve as directors for future schools.

Over 2,400 pastors and laymen attended the 26th statewide Evangelism Conference in Fayetteville last February. Special conferences were held with practical emphasis on different phases of evangelism. Outstanding speakers challenged pastors to involve their people in the total ministry of evangelism through the church.

A new week at Caswell during June was Youth Ministries Week, with inspiration and training in evangelism, vocational guidance and recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ. On Friday evening 113 youth of over 600 present made different kinds of public decisions.

About 16,000 youth, pastors and adult leaders attended the 2nd statewide Youth Evangelism Night to hear Arthur Blessit in August at the Greensboro Coliseum. God is working through Christian youth to share His Gospel in a thrilling, significant manner.

We can rejoice in the excellent reports of revival metings, citywide crusades and associational evangelism clinics during the past year. We must continue to have a strong increase in baptisms durimg 1973. Remember to pray earnestly for the leadership of the Holy Spirit in the total ministry of evangelism in North Carolina, our nation and the world.

ORDINATION COMMITTEE REPORT

The Ordination Examining Committee met at the associational office, Sunday, August 6th at 2:30 p.m. with Rev. P. C. Gantt, Rev. J. C. Gwaltney, Rev. Elmer Thomas, Rev. A. C. Cheshire and Rev. Joe Bill Holcomb. The committee met at the request of the Blaise Baptist Church, Mocksville. They were asked to examine Rev. Joe Bill Holcomb in view of his ordination by their church. Mr. Holcomb had been licensed by the Blaise Baptist Church and had been helping in various activities of the church under the direction of the pastor. He has been speaking on the radio station at Mocksville each week and helping in other mission projects.

He had formerly been a minister in the Assembly of God in Nashville, Tennessee He was reared as a Baptist and properly baptised into a Southern Baptist Church. Rev. Cheshire gave a good report of the man's activities and Christian conduct. Rev. Thomas reported he had checked his credit rating and found it in good standing.

The committee examined Rev. Holcomb with reference to his conversion, call, his belief in God, Bible status of the heathen, belief in Jesus as the Son of God, virgin conception of Christ, missions, the cooperative program and Christian ethics. His answers were satisfactory and solid in view of our articles of Faith and church covenant. The committee voted unanimously to recommend Mr. Holcomb to the Blaise church for ordination which took place September 10, 1972.

A committee was organized in the early spring to plan an associational music school for August 21-25. Those on the committee with the associational music director were: Miss Jane Wooten, Diamond Hill; David Early, Front St.; and Maurice Sherrill, Mountain Road.

The school was planned to seek to meet the needs of the small church. Classes which were held and the teachers of each are listed as follows:

Sight-singing - David Early, Front Street
Hymnology- Terry Williams, Mocksville First
Classes for pianists/organists - Jim Reich, Monroe First
Classes for children's and preschool leadership - Jane Wooten

There was also a choral clinic led by Charles Storey of Ardmore Baptist church, Winston-Salem.

The associational leader would be happy to be of assistance to any church in the association who would like to have ideas or help in their music program. Most of the associational music program should of necessity, be geared to the needs of the small church.

WMU REPORT

It has not been an easy task to accept adjustments of new group names, new magazines names etc. in our WMU. Most of us, however, have survived it. Coming out, I think, for the better. Better because this was a plan to help us carry out out tasks of teaching missions, engaging in mission action, supporting world mission through prayer and giving and interpreting the work of the denomination in a more effective way. Now that the adjustment period is over, this new year should prove to be a very challenging one to test just how effective our new methods can be.

The sixty-ninth Annual Session of the Associational Woman's Missionary Union Auxiliary to the South Yadkin Association was held at the Southside Baptist Church, Mooresville, April 25, 1972. "Living the Spirit of Christ in Expectancy and Creativity" was our program theme. In the afternoon session, we had a "share-in" from our local WMU organizations which proved very challenging and informative. Our night speaker was Rev. Worth Grant, former missionary to Japan and now field representative for the Wycliffe Bible Translators.

Officers elected for 1972-74 were Mrs. Elmer Johnson, Director; Mrs. R.H. Hudgins, Assistant Director; Mrs. George Weaver, Secretary and Treasurer; Mrs. Ralph Bentley, Baptist Woman Director; Mrs. Clarence White, Baptist Young Woman Director; Mrs. Charles England, Acteens Director; Mrs. J. D. Wyatt, G.A. Director; Miss Jane Wooten, Mission Friends Director.

New By-laws were voted on by the conference which contained an article stating our WMU officers would serve two years instead of one.

Officers began training at Fruitland at a workshop for Associational officers. The South Yadkin Associational clinic was held September 21 with approximately 100 WMU officers participating.

A workshop was in the Spring by our Associational GA Director for GA leaders interested in having a day camp for their GA groups.

The Associational officers meet quarterly to make plans and preparations for assisting local churches.

BAPTIST HOSPITAL REPORT

The distinctiveness of Baptist Hospital's ministry lies not alone in its care for charity patients,but also in the type of service it renders to all its patients, and to many other people throughout our state and nation around the world.

As an academic Medical Center it is engaged in research and in education, as well as direct patient care. The ministry through research is far-reaching since new discoveries in medicine offer new hope to people everywhere. The educational ministry also extends around the world, since graduates of the Bowman Gray School of Medicine serve in 88 counties of North Carolina, in 47 states and the District of Columbia, and in 25 different countries. Alumni of the School of Pastoral Care serve in almost every state and in 39 other countries.

The quality of direct patient care provided at Baptist Hospital is distinct in at least two respects. First, it is a specialized type of medical care, provided for referral patients who have rare or complicated medical problems. Because of the highly-skilled specialists in almost every area of medicine, and the elaborate equipment available for diagnosis and treatment, we are able to provide the kind of care which is available only in a large medical center. Ours is one of only 108 such medical centers in the United States.

In addition to offering this kind of medical expertise, a second distinctive of our patient care is the Christian concern for the total person with all his needs. This spirit is found among physicians, nurses, aides, and other personnal throughout the center. The Department of Pastoral Care seeks to minister specifically to the spiritual and emotional needs of patients and their families.

Baptist Hospital does continue to serve patients who cannot pay for their hospital care. Even with the tightening of admission policies and procedures, only one person in twelve months --i.e. one in approximately 17,000 applications for admissions was not helped. In 1971 charitable allowance amounting to $1,370,000 were issued to patients unable to pay in full. The Mother's Day Offering of $373,000 helped make this charity work possible.

The hospital takes pride in its record of charitable work, but would like to help our Baptist people to understand that there are other aspects of its work also which justify its existence as an institution of our Convention and make it worthy of the support of our churches.

The operating deficit has been eliminated and the hospital is now operating "in the black."

The new patient tower is being completed and some departments have already moved into the lower levels. Complete occupation should take place by January, 1973. One additional unit, a two story unit housing the emergency room and outpatient clinic, is scheduled to be completed by 1973. This will conclude the present development program.

"A Medical Center Ministering with Skill and Understanding" is not just a letterhead slogan; it is a goal which Baptist Hospital seriously strives to attain.

BIBLICAL RECORDER

The BIBLICAL RECORDER is nearing the 100,000 mark in circulation -- thanks to churches and individuals all over the state who have helped to bring this about. Once this goal is reached, new ones will be set as part of a continuing effort to put the RECORDER in every Baptist home in North Carolina.

Not only in circulation progress, but in other ways this has been a good year for the RECORDER. During the year, Woodrow W.Hill, well-known pastor and writer, came with the RECORDER as field representative. He will be speaking in associations, churches, pastors' conferences and in other meeting all over the state. Thus he will join the editor and associate editor in seeking to carry the RECORDER message to every corner of North Carolina.

This was also the year that the RECORDER went to computer. Because of the growing circulation, this had to be done.

As it has in the past, the RECORDER seeks to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to North Carolina Baptists. If your church does not have the RECORDER in the budget or if it does not have a club at all, please take the leadership in seeing that this situation is corrected in the coming year. The RECORDER will be 140 years old next January 18. Those responsible for its publication each week recommit themselves to this important ministry of the printed word.

BAPTIST FOUNDATION

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on November 24, 1920, under the laws of the State of North Carolina. As a charitable corporation, it and its donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

Any property owner who wishes to do so- Baptist or non-Baptist, resident or non-resident, man or woman, young or old, can use the Baptist Foundation through cash,securities (stocks, bonds, notes, mortgages); real property (farms woodland, houses, lots); and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

BAPTIST HOMES FOR THE AGING

In our Baptist Homes for the Aging, we feel that there is no relationship more important and more blessed than the one that we have with our Baptist people in our Baptist Associations throughout the State. It is a special joy to visit personally the Associations and to have fellowship with the good people who mean so much to us in our ministry and to express to them our special thanksgiving. It is with a deep sense of gratitude to the Lord and to you that we bring this report on our Baptist Homes for 1972.

This has been the best year that we have ever had in our twenty-one years. The special offering for the Homes and support through the Cooperative Program reflect an encouraging increase. Through these two vital sources, the Homes during the past year derived almost 30% of the total operating budget in the care of the residents and patients, with 20% coming from the offering, and 10% through the Cooperative Program. The most significant fact about this support from our Baptist people is that the majority of the residents in the

Homes are persons with real financial needs, and these love gifts are a lifeline to the residents, and they could not be maintained without them. The greatest challenge to our Baptist people is to continue to increase the Special Offering from year to year, and thus keep pace with the needs of the residents who depend so greatly on it.

Our Baptist Homes now operate five resident Homes, with two located in Winston-Salem and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit, located in Winston-Salem, with a capacity for 63 patients. In these Homes we specialize in tender loving care and do not know of any place this side of Heaven, and outside of one's home, where a person can receive more compassionate Christian care.

Of great significance during the past year, in May, was the dedication of the York Wing of the Nursing Care Unit. This wing, accomodating 18 additional patients was completed in November of 1971 and named in honor of Judge and Mrs. William York, of Greensboro. He and Mrs. York gave $80,000.00 for the construction of this new wing and the additional money needed was raised by the Trustees of the Homes. With this new addition, the Baptist Homes have been able to receive some few persons, on a limited basis only, directly as patients. The majority of the beds in the Nursing Care Unit are used for the residents of the five Homes, when nursing care becomes necessary. We are glad that the base of our operation has been broadened to include a ministry to the aging sick person, and we can only hope that we will move forward and be able to receive more patients in the years ahead.

Ministry to an older person is a direct ministry to Christ and is one of the finest things that North Carolina Baptists are doing. Be glad that you are a Baptist and be grateful for the part that you are having in making the life of an aging person more abundant and more secure.

W. E. Pope, chairman

BAPTIST CHILDREN'S HOMES

For the past eighty-seven years, North Carolina Baptist and their Children's homes have cooperated in a program of Christian child care. This relationship has been characterized on the part of the agency, by a sensitivity to real needs and a commitment to the best in child care. On the part of North Carolina Baptists, there has been a lasting commitment to child care expressed in generous and enthusiastic support of the agency's ministry.

This annual report finds the agency vigorously pursuing its basic purposes. Changing patterns of family life and the involvement of government in social ministries profoundly affect the number of children needing our care an the types of care needed. More and more we are being asked to serve children with special needs beyond neglect and dependency; emotional alienation from family; trouble with the court; boderline retardation; emotional disturbance which requires professional treatment. The urgency of the present and the challenge of the future is to find effective patterns of care for these children.

The Baptist Children's Homes will not be content to provide minimal care only. We are committed to quality care which serves the whole person, providing the experiences and relationships which can enable the child to develop his full potential. Quality care costs. It makes heavy demands on the individual staff member in his involvement with the child. It requires more staff members for the number of children served. It necessitates the purchase of supplementary professional services, such as medical and psychological specialists. But the cost is really an investment in the future of the children served, and we believe it is the best investment of life and money we can make.

The Children's Homes continues to expand and improve its services to children and their families. Two new cottages are under construction at Broyhill Home. The Ten Star Builders' Program is enlisting the support of Eastern North Carolina for Christian child care in that section of the state. Mills Home is engaged in a year-long study to determine how we can best serve the children in the Piedmont Area. Across the state, renewed effort is being given to the enlistment of foster families. Expanded services to families are being initiated.

We believe this ministry of child care deserves the confidence and support of North Carolina Baptists. Our Baptist friends have demonstrated through their interest and support that they believe in what we are doing. The Cooperative Program continues to be the lifeblood of our financial support. The 1971 Thanksgiving Offering channeled $400,000 into our ministry of child care. Special gifts and bequest from individuals continue to provide for capital improvements. We deeply appreciate this generous support, and we pledge ourselves to continue this ministry of child care in the name of Christ and on behalf of North Carolina Baptists.

CITY AND METROPOLITAN MISSIONS REPORT

Metropolitan Missions Department, a ministry of the Division of Missions, promotes three programs of work; namely:

1) Urban Church Missions - This is designed to render assistance to urban church areas through conferences, church extension ministries, pastoral and lot assistance, and shopping center missions.
2) Christian Social Missions - This area of work is for rural and urban areas. It majors on church community weekday missions, youth and family services, literacy missions, migrant and relief missions.
3) Interfaith Witness - This is designed to share the Christian faith with others and seek the Lord's leadership in witnessing.

Some of our accomplishments this year were as follows:

1) State-wide Metropolitan Missions Conference, High Point
2) Urban seminar in co-operation with Home Mission Board and Southeastern Theological Seminary.
3) Assistance to churches: pastoral aid to twenty-nine (29)churches in the amount of $32,000; lot aid for twenty-three churches in the amount of $29,000.
4) Literacy workshops to train teachers to teach and tutor non-readers.
5) A Baptist-Catholic Conference at Wild Acres in co-operation with Home Mission Board.
6) Two Interfaith Witness Conferences --Asheville and Raleigh.

YOUTH AND FAMILY SERVICES REPORT

In many ways this has been an outstanding year of accomplishments. Around Oct. 1st, 1971, a new Juvenile Court was organized in Iredell and Alexander Counties. A staff of court conselors was employed and trained with the juvenile case load being transfered from the Department of Social Services to the new court.

Mr. Lexie Lednum, the Chief Court Counselor is a fine Christian Gentleman and a wonderful person to work with. The entire court staff was carefully selected and are doing an excellent work in our community.

In working with the court, we learned early that many of the youngsters in trouble were desperately behind in their academic work and needed help to catch up. In order to provide this help we decided to use the Laubach Literacy Program and train volunteers to work with these youngsters.

In January, 1972, we conducted our first Laubach Literacy workshop. The response was very good in that more than fifty (50) volunteers were trained. Referrals were made by the court staff and the local schools.

In April, 1972 another workshop was conducted with good results. Many of those who were trained at this time along with a number of others were enlisted to work in some six tutorial centers which included Diamond Hill Baptist Church, Grace Church, Mocksville first church, Mooresville First Church, Temple Baptist Church, and Western Ave, for ten weeks during the summer. The schools provided us with a number of children who needed help.

We closed out the year with more than a hundred (100) trained volunteers and records indicate that we had work successfully with approximately seventy-five (75) children.

There is much yet to be done. We request the prayers and interest of Christian friends that somehow we will get this work done as the Master would have it done.

R. C. Johnson, Sr. Director

DEPARTMENT OF STUDENT WORK

The year 1972 marks the 50th Anniversary of Campus Ministry among Southern Baptists. The Baptist Student Union and the staff of the Department of Student Work are a specialized focus of the denomination as it seeks to work with those in the academic coummunity.

There is a Baptist Student Union ministry on some 30 campuses in North Carolina. In many of these situations local ministers and laymen serve in a part-time or volunteer capcity in order to make the ministry possible. Fourteen campuses are served by full-time campus ministers.

The ministry on these different campuses finds varying organizational expressions but each unit operates within a basic philosophy and guidelines decided upon by the Convention. The building of Christian community is perhaps the major emphasis of the campus ministry. Worship, study, service, witness and fellowship are other major facets of the work.

Two major state-wide student meetings are held each year with approximately 300 students participating in each of these conferences. Various student mission projects are conducted and financially supported by students each summer. These projects send students into the churches in youth ministry, into the inner-city, and into resort areas.

Other state-wide activities include evangelism clinics, area retreats, a basketball tournament, a conference for church workers with college student, a retreat for high school seniors, and a conference for International students. The department also cooperates with churches in the "On-to-College" and "Student Hight at Christmas" emphases. Some of the projects are sponsored jointly with the program or department within the Convention: WMU, Youth Ministries, Sunday Schook, Resort ministries, etc.

Those who serve as your ministers through the Department of Student Work really would like to share in worship services or special emphases or with small groups in the churches and associations of the Baptist State Convention.

ANNUITY BOARD REPORT

Darold H. Morgan took office as president of the Annuity Board of the Southern Baptist Convention on March 1, 1972. R. Alton Reed, whom he succeeded, had been chief executive officer of the board for 19 years.

The change in executive leadership occurred with the Board having record funds held in trust of more than $292 million, as of December 31, 1971. These funds are held in trust for 36,000 retirement plan participants now active in churches and denominational agencies.

Moreover, the Board paid out 25 per cent more in benefits to 7,500 annuitants last year than their contracts required. Called "13th Checks," these extra benefits were paid twice in the year -- 8 1/3 per cent in February and another 16 2/3 per cent in December.

The same good yield on investments that permitted extra benefits to annuitants also gave Good Experience Credits (credits for good experience in investing) to active members of the various plans, adding value to their retirement fund being built up.

The extra benefits paid through "13th Checks" totaled $1,339,732.

The Board, in its 54 years of existence, had paid out benefits that total $92.1 million, including over $10 million during 1971.

During the administration of R. Alton Reed, the Annuity Board eliminated its "unfunded liability" -- which meant that potential claims for benefits exceeded assets. The Board is now in a position not only to fully meet every outstanding contract with members, but to grant Good Experience Credit as well.

The Annuity Board offers a protection plan for disability, death, and retirement to cover every pastor, church staff member, and denominational agency employe. Many churches help by paying in full the dues for their pastor and staff.

Retirement contributions may be made on the full salaries of pastors and other personnel by taking advantage of Plans B and C as well as Plan A. Information on the Annuity Board may be secured by writing its development office, 511 North Akard Building, Dallas, Texas 75201, or by contacting the Annuity Board representative of your Baptist state Convention.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society is an active partner of Southern Baptists in the missionary task of sharing Christ with the whole world - a task which calls for the widest possible distribution of the Scriptures. The Bible speaks to the heart of man. And it is the sole purpose of your American Bible Society to provide this Book to men, women and children, everywhere in a language they can understand and at a price they can afford.

In the interest of making God's Word more easily understood, the Bible Society is presently engaged in a top-priority project, the translation of the Bible into everyday speech for the major languages, plus many key secondary languages and dialects. Nearly 50 projects now exist, involving languages and dialects spoken by more than 70% of the world' population.

At the present time, 97% of the world's population can secure at least a portion (a single Book) in their own language and approximately 3,000 translators are presently at work on some six hundred new translations and revisions. At the close of 1971, at least one Book of the Bile had been published in 1,457 languages and dialects, the complete Bible in 253.

During 1971 the American Bible Society --

- distributed 90,129,921 Scriptures within the United Staes. This total reflects the continued growth and interest in the use of the Scriptures.
- supplied 53% of the 1971 United Bible Societies' World Service Budget thereby providing over half of the 1971 world distribution total last year, 173 Million Scriptures.
- presented Dr. Porter Routh the symbolic 25 millionth copy of "Good News for Modern Man". This small all-time best-selling paperback publication is now circulating in over 33 million copies. Other familiar Standard Scripture versions, including King James Version and Revised Standard Version, continue to be published and circulated in large numbers.
- increased distribution of complete Bibles to members of the Armed Services through chaplains, reaching 54,490 copies for an increase of 33.3% over 1970.
- provided 747,131 Scriptues in special formats.
- published the Book of Job in Today's English Version timed to meet the January Bible Study needs of the Southern Baptist Convention.

- distributed through home missionaries of the Southern Baptist Convention over 300,000 Scriptures.

Southern Baptists consider the American Bible Society an essential part of their own worldwide mission program and believe in the missionary importance of giving to the Society.

Resolutions commending the work of the American Bible Society and requesting the churches to contribute to its ongoing support have been adopted by state Conventions and by the Southern Baptist Convention.

Through gifts to ABS, Southern Baptist churches have shown their deep and continued interest in providing the Word of God for every man in his own language.

Following is the record of the Southern Baptist Convention in recent years.

1966	$233,896	1969	$232,765
1967	$218,509	1970	$233,185
1968	$222,937	1971	$240,249

The 1971 gifts from Southern Baptists stand first in total gifts, the per capita gift from more than 11.8 million members amounts to slightly more than two cents.

Southern Baptists can lead, even in per capita gifts, if every church will give. The help of every Southern Baptist church is needed. Has your church given this year? A suggested contribution goal is given:

Smaller churches	$10 - $60
Larger churches	$60 $300
Great city churches	$300-$600 or more

Please send the gifts from your church to your State Baptist Convention office, marked "for the American Bible Society".

CHRISTIAN HIGHER EDUCATION

Our Common Goal Together we seek to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by persons who are committed to God as He is revealed in Jesus Christ. This ideal always exceds our grasp. However, it is the ever-present goal toward which we strive. The prayers and active support of North Carolina Baptist are necessary ingredients in helping the actual and the ideal to move more closely together.

Coperative Program The Baptist colleges in North Carolina continue to be grateful for the vital financial support which comes through the Cooperative Program. Outside of student charges, the Cooperative Program is the largest financial source of annual income for our colleges. During the past year these amounts were: Campbell College, $311,688; Chowan College, 192,400; Gardner-Webb College, 213,564; Mars Hill College, 270,322; Meredith College, $270,322; Wake Forest University, 467,532; Wingate College 198,172.

Baptist College Scholarship Offering Day One way our churches can help to relieve the financial burden of our schools is through participation in the Baptist College scholarship Offering Day. Every year many of our churches provide student aid funds for needy North Carolina Baptist students by means of this special offering on Father's Day. Other churches prefer to include this as a regularly budgeted item. We urge more of our churches to enter into this investment in our youth.

Highlights of the Past Year Dr. John E. Weems became the sixth president of Meredith College. He was formerly Vice President for Finance and Administration of Middle Tennessee State University.

Gardner-Webb College received accreditation as a four-year college by the Southern Association of Colleges and Schools.

Seventy young men and women from the seven Baptist colleges worked in churches across North Carolina through the Baptist Youth Corps program. Their salaries are paid jointly by the colleges and the churches.

The inclusive enrollment of the seven North Carolina Baptist colleges during the past academic year was 16,609.

HISTORY OF FAITH BAPTIST CHURCH
1955-1972

On May 6, 1955, Rev. Elmer Thomas of the South Yadkin Baptist Association met at the home of Mr. and Mrs. A.A. Smith with seventeen persons interested in starting a mission in the Oak Forest Community. A tent was purchased by the mother church, Western Avenue Baptist Church and services were held in the tent from June 19, 1955 until February 26, 1956 when strong winds destroyed it. The next day the mission moved to a store house belonging to Mr. John Gunn.

Rev. Coy Privette was called June 4, 1955 as the first pastor of the mission. The mission was named "Faith Baptist Mission" with Mr. L. G. Goforth submitting the name.

The congregation moved into a one story cement block building on April 15 1956. The first Sunday School superintendent was Mr. L. G. Goforth, with Mrs. Margie Peacock serving as the first W. M. S. President and Mr. Turner Rupard the first Brotherhood President.

After serving as pastor for almost four years, Rev. Privette resigned to accept pastorate in Ellerbe, N. C. During these four years, Faith Baptist Mission under Rev. Privette's leadership, grew to an enrollment of one hundred and forty in Sunday School, had a Training Union enrollment of sixty seven and the total value of church property was $7,000.00.

Rev. Jimmie Steele, a ministerial student at Davidson College was called as pastor at Faith on July 19, 1959.

On April 10, 1960, the congregation moved into a new second floor sanctuary, using the first floor as classrooms.

Mr. Jerry Gibson of Diamond Hill Baptist Church was called on May 28,1961 to serve as Director of Music and Education.

Faith Baptist Mission was organized into Faith Baptist Church on September 16, 1962. Guest speakers were Rev. Elmer Thomas and Rev. Lewis Williams. Western Avenue, the mother church presented the new church a pulpit Bible, which was accepted for the church by the pastor, Rev. Steele.

The first Deasons of Faith Baptist Church were Mr. L. G. Goforth, Mr. Turner Rupard, Mr. T. T. Kimmer, Mr. S. B. Allen, Mr. Allan Sain, Mr. Harold Harmon and Mr. Fred Levan.

When Mr. Steele presented his resignation on October 10, 1963 to serve in Charlotte, the value of the church property had risen to $21,000.00 We now had a two story building with sanctuary and classrooms and had completed the fellowship hall and kitchen.

Rev. H. T. Davis of China Grove was called as interim pastor on December 22, 1963 and served until Rev. W. C. Barkley was called on June 7, 1964.

Under Rev. Barkley's leadership, plans were made for a new sanctuary with full basement to be built adjoining the old building and a complete renovation of the old building.

Ground-breading services were held on March 19, 1967 with Mrs. W. H. Hobbs eldest member of the church, turning the first spade of earth. The church held its first services in the new sanctuary on Oct. 22, 1967. The new building is complete with air conditioning and central heating.

The Dedication of this new building was held on Sunday, November 5, 1967. It was dedicated to God, through whose power it was erected. Members pledged themselves to utilize it for spiritual worship, Bible study, training in Christian service, for the propagation of Christ's Gospel and for the proper observance of Christ's Kingdom at home and abroad.

A note burning service was held on Homecoming Day, June 13, 1971 as the church became debt free, less than four years after moving into the new sanctuary.

Faith Baptist Church led the Association in total baptisms in 1970-71 with sixty two being baptized. We have approved and granted licenses to preach the gospel of Christ to Mr. T. T. Kimmer and Mr. J. D. Harris.

The old building was renovated and completed with carpet, airconditioning and central heat in February of 1972. The parking lot was also paved in 1972. The church property is now valued at $150,000.00.

Faith Baptist Church is proud of the progress that has been made since that first service held in a tent on June 19, 1955. We are truly thankful to God for this. We have had and still have many faithful members that have contributed to our progress. We thank Western Avenue for the advice, help and support they gave us as a mission. For each minister that has served, we thank them for their leadership, faithfulness, service and love. Faith Baptist Church has experienced much material progress, but more important is the spiritual growth that we have and are still experiencing. God truly meets with us and for this we are most thankful, for we know that without Him none of these blessings would be possible. We also thank Rev. Barkley who is leading our church in a Bible believing and Bible teaching way. We are grateful to him for his loyalty, service, and for his love of the Lord Jesus Christ that he presents to his congregation.

COMMITTEE ON RESOLUTIONS

Be it resolved that we the messengers to the Ninety-Ninth Annual Session of the South Yadkin Baptist Association do express our sincere thanks to our Heavenly Father for His mercy and blessings upon us during this past year, and out appreciation to:

1) the host churches, Farmington Baptist Church and Faith Baptist Church and their pastors Rev. Frank Wilson and Rev. W. C. Barkley who provided so well for the messengers and guests during this session.

2) to the Moderator, to our Missionary and to all other officers of the association who have served so faithfully during this past year.

Now as we close this Annual Session be it resolved that we leave this place of worship challenged to better serve our Lord in a more prayerfully and meaningful attitude.

Message by Rev. Tom Freeman, President of the North Carolina Baptist Convention. Subject: "Together With Thanks" based on Scripture in Exodus 14. Mr. Freeman reminded the session that after 150 years of existance the Baptist have grown to be the most numerous non-Catholic Denomination and the largest denomination in N.C. The strength of the Baptist is "The cherishing of the Scripture as guide and their devotion to missions and evangelism." We have grown, Mr. Freeman said, because we are a caring people. We have the same problem and issues as far back as 1873 but God has kept us together. In 30 years we have grown from 2,582 churches to 3,452 and more than a million members. He reminded us of God telling Moses when he and the children of Israel were in an almost impossible situation to pray and do what he told them to do, the impossible. We will succeed because we listen to God. The glue that binds us together as Baptist is the love of Jesus.

Dr. O. T. Binkley, President of Southeastern Seminary spoke on "Affirmative Response to the Living Lord of Truth" based on Romans 12:21 which says "Be not overcome of evil, but overcome evil with good." Dr. Binkley reminded us God is saying to us "Come to me, believe in me, learn from me, abide in me and follow me." He said there were many children in the world today who had never read a verse in the Bible, never heard an adult pray, never been inside of a church. What a difference it would have made if that had been true with us. To overcome evil with good we must: 1) have personal integrity, with gentleness, 2) must have compassion for companions on the human pilgrimage of life, 3) must have systematic and thorough work, and 4) must have faith.

He reminded us that the two strongest countries in the world are involved and its all because of hate. He stated that in our own country churches have become a vacumn, not bothering anybody, not doing any good. We need to search our motives. They should not be just to keep building buildings; not to defend or argue; let progress come through the churches with a strong sacrificial love, Dr. Crouch concluded.

Rev. Coy Privette, Chairman of the Christian Action League brought the closing message of the session. He reminded of the Nov. 6 referendum on liquor-by-the-drink. Mr. Privette quoted from the referendum. They (the ones who want liquor-by-the-drink) say vote yes and we have less per capita consumption in the state; better law enforcement on drinking; better safety controls and road fatalities will not increase; and we have no bars. Mr. Privette called the referendum the most liberalized bill in the nation. No other state has all three means of dispensing alcohol; ABC stores, brown bagging and by the drink and N.C. was the only state in the nation that has brown bagging. Mr. Privette concluded that one gallon of liquor costs an estimated $20. It containes 128 ounces which sells for $1.50 per ounce. This, he said, would mean $172 gross profit on one gallon liquor.
At the conclusion of Mr. Privette's message Mrs. C. L. Weston made the motion that an offering be taken for the Christian Action League. This was done and $146.86 was given to this cause.
After silent mediation, Rev. Charles Bullock closed the 100th Annual Session with prayer.

RAISING OUR EBENEZER

I Samuel 7:5-12

(Sermon delivered by J. Harvey Clark in the First Baptist Church, Statesville, North Carolina, October 18, 1973 at the Centennial Observance of the South Yadkin Baptist Association)

During the Old Testament dispensation, the people of God, the Israelites, had as a symbol of the presence of God, the Ark of the Covenant. This ark was an oblong wooden chest, some 45 inches in length, 27 inches wide and 27 inches deep. It contained first of all the Book of the Law, which was a symbol of God's standard and plan among the people. Then there was Aaron's Rod, which spoke of the deliverence of God for His people. Finally, the golden pot of manna, which was a picture of the daily provision that God made for his people. So whether the Ark of the Covenant was in the Holy place of the tabernacle in the wilderness, or in the Holy place of the temple in Jerusalem when there was a permanent house of God, or even when it was borne on the shoulders of four men as the Israelites made their wilderness journey, it always assured the people that they would have not only the presence of God, but they would know the victory that He would bring to pass in their lives and also victory over their enemies. Now, the greatest enemy of the Israelites were the Philistine. The Ark of the Covenant, a symbol of victory for the Israelites, was also a symbol to the Philistines. They believed that because Israel had the Ark of the Covenant that they would be victorious but they believed also that they, the Philistines, would be defeated. So they decided that, by some means if they were able to capture the Ark, they would be the victor, and the Israelites would be the loser. So in the fourth and fifth chapters of I Samuel, we have the story given us of the capture of this Ark from Israel by the Philistines. Some of the superstitious soldiers of the Israelites took it into battle and it becomes the possession of the Philistines for seven months, but rather than working as the Philistines thought it might, it worked in reverse, that while it was among them they were afflicted. Chapter six tells us of the slaughter of the Philistines, (some 50,070 men dying). So, they decide that they had better return the Ark of the Covenant to Israel. This they do, and when it comes back into the possession of the people of God, then Samuel, the old prophet, calls upon the people to repent, and to return to the Lord, because they had permitted the Ark of the Covenant to be stolen by the enemies of God's people. He assured them thay they would have victory over the Philistines if they would keep this Ark of the Covenant in their possession, thereby they would know that their God was a God of deliverence. They would know that their God was a God of mighty provision. And so Samuel then calls the people to repentence. The people of God do a difficult thing in the sixth verse of the seventh chapter of I Samuel, when they declare, "We have sinned against the Lord." The place where they make this declaration is at Mizpeh. Here they repent of their sin, and then Samuel, with the people of God and the Ark of God and the Covenant of God in their presence again, they move on out to Mizpeh toward Shen and they come to a place where the prophet of God calls them to erect a stone and they call the name of the place where the stone was erected "Ebenezer", which means "Hitherto hath the Lord helped us". They are saying to all of their enemies as they look upon this event, "We, the people of God, have had the hand of God upon us. He has provided for us all through the wilderness journey. He has given to us victory after victory. He has made possible our having now the Ark of the Covenant. "Hitherto hath the Lord helped us." At this very point in the history of the people of God they were called upon to take at least there looks. Likewise, as God's people today---

I. WE ARE CONSTRAINED TO LOOK BACK UPON OUR DELIVERENCE. This is indicated by our text itself: "Hitherto (or up to this time) God has helped us." And I call upon you, my Christian friends, today with me, to look back upon our nation's history and make the declaration "Hitherto hath the Lord helped us." Our nation had among its founders noble and Christian statemen, those who named the name of God with boldness, those who held in high esteem the Word of God, those who formulated the laws of our land upon the basis of the teachings of the books of Moses. For 197 years now God has blessed our nation. We are less than three years away from our two hundredth anniversary. And I remind you that the great civilizations of our world's history have averaged 200 years in their life's span. As we look at America today, having forsaken many of the oracles of God, we have to ask ourselves the question "Is time running out on America?" Is time running out on America? The truth of this should drive us to our knees in prayer to God for spiritual revival to bring again the flaming fires that will consume our personal sins, our national sins, and make us right in the eyes of God and in the eyes of the rest of the world. We need to look back across our history and say "Hitherto hath the Lord helped us."

And then I call upon you, with me, to stand and raise our Ebenezer as we look at the history of our Southern Baptist Convention. We Baptists are a people of the Book, the Bible. We were born and bred amidst the fires of evangelism with missionary zeal and with an unshaken doctrinal position. Founded in 1845, for most of these 128 years, we have retained our devotion to the Word of God. I hold in my hand today a copy of The Baptist Faith and Message that was adopted originally by our Convention in 1925 and reaffirmed on May 9, 1963, in Kansas City, Missouri in annual session. I do not have time, of course, to read all of the facets of our belief, but I want to glean one paragraph which summarizes the feelings of the committee that waw appointed to study The Baptist Faith and Message and report to the Convention. And I quote: "Baptist are a people who profess a living faith. This faith is rooted and gounded in Jesus Christ, who is the same yesterday, and today, and forever. Therefore, the sole authority for faith and practice among Baptists is Jesus Christ, whose will is revealed in the Holy Scriptures." And then there follows seventeen articles which tell us and which proclaim to a world (friend and foe) what we believe. But I'm wondering today as the in-roads of liberal theology make their mark upon our lives if we are not in need of a great awakening whereby the people of God called Southern Baptists, will once again arise to the occasion and be used of God to bring a glorious spiritual impact upon our whole nation's life, as well as the life of the nations of the world.

Now today, standing at the stone erected at Ebenezer -"Hitherto hath the Lord helped us" - we need not only to look back upon our nation's history and upon the history of the Southern Baptist Convention, but also back upon the history of the South Yadkin Baptist Association, a group of people who for one hundred years have made a spiritual impack here in Western Piedmont North Carolina, where from its foothills we can look away to the beautiful and majestic Blue Ridge Mountains. In preparing this message for this illustrious occasion, I looked back into the minutes of our association to one hundred years and one day ago this day, to October 17, 1873, when the organizational meeting or our South Yadkin Baptist Association was held at the New Hope Baptist Church. I want to read for you an excerpt from the report on the field of labor. And I quote: "The field in our bounds, destitute of Baptist preaching is very great. The territory is large. (Then it included all of the counties of Rowan and Mecklenburg.) The population is great. The points of interest are many. We ought to buy lots at Statesville and Salisbury and go further if possible. With five cents a month from each member we can put a man at Shady Grove and Alexanderia (and I suppose that's Alexander County) with the Statesville country, and one at Trading Ford and Yadkin River with the Salisbury country including Concord." For the last entry in the minutes for that year, our founding year, they place this entry: "Thus closed our first meeting which we trust is but the beginning of glorious times in our midst." What a marvelous beginning! What a heritage! How God has blessed the people in the South Yadkin Baptist Association, where the spiritual fires have been burning in many hearts, where we have had noble and able spiritual giants as our leaders. And "Hitherto hath the Lord helped us" and we are at Ebenezer today. But I wonder, does our association today stack up with those early days? What golden opportunities we face in 1973 - with new industry bringing new people into our area every week, the population (Iredell and Davie Counties) is approaching the 100,000 mark. Our association has a membership of only 16,000 and more than that, an average Sunday finds only 7,000 in attendance in our churches. Truly, the fields are "white unto harvest". Let me quote to you again from the minutes of our association of 95 years ago, September 7, 1878, when the association met in Mocksville. Here is a report on the prayer meetings and I quote: From the day of Pentecost even to this day the outpouring of the Spirit upon the churches have been preceded by and connected with earnest, united prayer on the part of God's people. The man who lives without prayer does not live the Christian life and the church which does not pray for God's blessing is not meeting the great end for which God created, preserved, and redeemed His peoole, the salvation of a lost world. Every church should meet a least once a week to praise God for His goodness and to invoke His blessing upon the administration of the Word in their midst, on their Sunday School, on their own souls, and to pray for the spread of the Gospel over the wide earth." This is the kind of rock from which we were hewn! What kind of prayer life are you having? What kind of prayer ministry does your church maintain? What a challenge at Ebenezer today "hitherto hath the Lord helped us," for us to look back and see what has taken place and see if we quality today as we should in our prayer life. And then from the minutes of 1879, 94 years ago, on September 12, meeting in the New Bethany Church, there is a report on temperence. So lest you feel that our forebearers did not take a definite stand on the liquor issue, I want to read you their entry of that day in the minutes. I quote: "In-temperence is the great curse of the land. It is sending thousands of souls to destruction annually and destroying talent which would be used for the advancement of the Lord's cause. Hence, we should earnestly recommend that no means be spared by our members to stay this evil, that the churches take decided steps against all who may at any time be guilty of drunkedness, that everyone of our members abstain from the use of ardent spitits as a beverage and that they give no aid and comfort to in-temperence by furnishing grain to distillers (see how far they went), thereby assiting them in their unholy work." And oh, as we think of this heritage today, and of the challenge that is upon us to take a definite stand against liquor-by-the-drink, shame on us if we do not arise to the occasion and stand up and be counted against this evil onslaught that the unbelieving world would seek to thrust upon us. I trust that from everyone of our churches, and from all of the membership rolls, there will be a mass moving of the Spirit of God to send us to the polls on November 6 to vote courageously against this evil of alcohol. How can we do less!

Then I call upon you, at our Ebenezer today, to look back upon our individual lives, to know that we were born in sin as Romans 3:23 would declare: "All have sinned and come short of the glory of God." The law of heredity has passed upon all of us sin and thus guilt and condemnation. Our forebearers, the federal head of the human race, Adam and Eve, sinned and we have all been stricken by this spiritual disease. But thanks be unto God, in spite of our sins, He loves us as Paul declares in Romans 5:8, "While we were yet sinners Christ died for us." Though sinners by nature and by choice, God's love in Christ has brought us to the place where we can put our faith in what Jesus Christ did at Calvary's Cross. In Ephesians 2:8-9 we read "For by grace are ye saved through faith; and that not of yourselves: it is the gift of God; not of works, lest any man should boast." And so we realize that we are what we are by the grace of God.We were sinners condemned to a devil's hell but the intervention of God in our lives through Jesus Christ at Calvary's Cross and our faith in believing that He died in our stead, believing that He was the substitute for our sins, we place our faith in Him. And thus our names are written in the Lamb's Book of Life and Heaven is our eternal home. I call upon you at our Ebenezer today, "Hitherto hath the Lord helped us," not only to look back upon our nation's history, our Convention's history, our Associational's illustrious record, and our individual lives, but also today -

II. WE ARE COMPELLED TO LOOK UP, TO LOOK UP IN WORSHIP AND ADORATION EVEN AS SAMUEL DID. Then Samuel took a stone and set it up and he worshipped in prayer for the children of Israel according to verse 8 in the seventh chapter of I Samuel said to Samuel, "Cease not to cry unto the Lord our God for us, that he will save us out of the hand of the Philistines." And then verse nine indicates that he worshipped in sacrifice, "And Samuel took a suckling lamb, and offered it for a burnt offering wholly unto the Lord: and Samuel cried unto the Lord for Israel; and the Lord heard him." And as Samuel led Israel in worship and adoration through prayer and sacrifice, so you and I today, raising our Ebenezer before a world that needs the message of the church, should worship in prayer and in sacrifice. In Romans 12:1-2 Paul said "I beseech you therefore by the mercies of God, that ye present your bodies a living sacrifice, holy and acceptable unto God, which is your reasonable service. And be not conformed to this world, but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect will of God." And then at Ebenezer today --

III. WE ARE CALLED UPON BY THE HOLY SPIRIT, I BELIEVE, AND CHALLENGED TO LOOK FORWARD. We are constrained to look back on our history, we are compelled to look up in worship and finally we are challenged to look forward to victory. In the thirteenth and fourteenth verses of the seventh chapter of I Samuel we read of the victory that came to Israel over the Philistines. "So the Philistines were subdued, and they came no more into the coast of Israel: and the hand of the Lord was against the Philistines all the days of Samuel. And the cities which the Philistines had taken from Israel were restored to them, from Ekron even unto Gath;and the coasts thereof did Israel deliver out of the hands of the Philistines. And there was peace between Israel and the Amorites". Yes, victory came and there that day at Ebenezer as the Israelites went on record that up to that day the Lord had helped them, they also looked into the future to a time of victory. Oh, hear me today, my dear Christian friends, God's promises in this Book of all Books, the Bible, the infallible message of God, are as bright as the noon-day sun. Let us look at some of those promises of victory. We have the promise of victory because of the church's foundation. In the first book of the New Testament, the gospel of Matthew, chapter sixteen and verse eighteen we read the words of our Saviour, "And I say unto thee, thou art Peter, and upon this rock I will build my church; and the gates of Hell shall not prevail against it." Now our Roman Catholic friends would have us to believe that the church was built upon Peter, and that he was the first Pope, and that he and all succeeding Popes were infallible. But this is not the meaning at all of this verse of scripture. Jesus is saying to Peter, "You are a little rock. You are "petros" and you are not big enough for me to build my church upon. You are not strong enough for me to build my church upon. You are just sinking sand." Suppose Jesus had built his church upon Simon Peter? It would have sunk beneath the waves of the Sea of Galilee. Jesus is saying "Not upon you, Peter, "petros" (the little rock), but upon me, the big rock("petra"), I will build my church and the gates of Hell shall not prevail against it." My dear friends, I am looking for total and complete victory through our Lord Jesus Christ. And so we see that not only is the promise of God to us victory because of the church's foundation being Jesus Christ, but also because He is the Head of the Church. In Ephesians 1:19-23 we read "And what is the exceeding greatness of his power to us-ward who believe, according to the working of His mighty power, which He wrought in Christ, when He raised Him from the dead, and set Him at His own right hand in the heavenly places, far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come: and hath put all things under His feet, and give Him to be the head over all things to the church, which is His body, the fulness of Him that filleth all in all." What a tribute! Here we have Jesus Christ as the Head of the victorious Church.

And then we are challenged to look forward to total, ultimate victory because of our coming King, the Lord Jesus Christ himself. In I Thessalonians 4:15-17 we read of the blessed hope of the church, the born-again believers, the real Chrisians. "For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent (or go before) them which are asleep. For the Lord himself shall decend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord." Isn't it marvelous to know that the Lord Jesus Christ is coming back? He promised us in the fourteenth chapter of John's Gospel that if He would go away to prepare a place for us that He would come again and receive us unto Himself. There pulsates within the breast of every child of God the assurance that Jesus Christ is our coming King. John, in the great final chapters of the Word of God, from the Revelation declares in the nineteenth division, verses eleven through sixteen, "And I saw heaven opened, and behold a white horse; and him that sat upon it was called Faithful and True, and in righteousness He doth judge and make war. His eyes were as a flame of fire, and on His head were many crowns; and he had a name written, that no man knew, but he Himself. He was clothed with a vesture dipped in blood: and His name is called the Word of God. And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean. And out of His mouth goeth a sharp sword, that with it He should smite the nations: and He should rule them with a rod of iron: and He treadeth the winepress of the fierceness and wrath of Almighty God. And He sat on His vesture and on His thigh a name written, KING OF KINGS, AND LORD OF LORDS." Oh Yes, we do not know when our King is coming, but we do know that He shall burst the clouds of glory to receive His own unto Himself, and that we shall live with Him eternally, and that we shall reign with Him as the ages shall roll on and on.

We are challenged to look forward to that time that Handel wrote about in his Halelujah Chorus when from his pen these words came: "Hallelujah, hallelujah! For the Lord God omnipotent reigneth. Hallelujah! The Kingdom of this world is become the Kingdom of our Lord, and of His Christ. And He shall reign forever and ever, King of Kings, and Lord of lords! And He shall reign forever and ever. Hallelujah, hallelujah!" Until that day shall come, may we declare with another hymn writer, "All hail the power of Jesus Name, let angels prostrate fall. Bring forth the royal diadem and crown Him Lord of all." Through lives lived, words spoken and witness given you and I can RAISE OUR EBENEZER daily, until our Lord shall call us Home by way of death or by His breaking the Eastern sky to rapture the Church. May God help us to do it for His glory and praise!

YOUTH AND FAMILY SERVICE REPORT

JUVENILE COURT

Our second full year of work with youngsters and their families has been a very challenging and meaningful one in many ways. The Juvenile Court staff and the judges have shown a wonderful spirit of cooperation where we have expressed our interest in cases. The WMU of Faith Baptist Church has seen fit to make contributions from time to time to the Juvenile Court Emergency Fund to be used in helping children and families with special needs.

SCHOOL TUTORIAL PROGRAM:

In the fall of 1972 the Avery Sherrill Elementary School provided the opportunity for eight of our trained volunteer tutors to work with forty three students who needed help to catch up. This tutoring was done in small groups with the tutor spending one hour two days per week with each group. This approach to the problem proved to be very helpful.

As a result of our work in this one school last year, we are now working three of the city schools and two of the county schools. A number of other schools in the city and county are open to us and just as soon as volunteers can be enlisted and trained we will be able to help them too.

SUMMER TUTORIAL PROGRAM:

We learned early in the spring that there would be no federal funds for summer schools in our area. The Youth and Family Service Committee met and decided to offer our help wherever needed. We were invited for conference with local school authorities. We outlined our plan of tutorial centers for the area eight weeks during the summer beginning June 19 - Aug. 9th. The superintendent and principals accepted the offer. Before schools were out the principals and classroom teachers had referred to us approximately three hundred and fifty students who needed help. We set up centers in the following locations: Diamond Hill Baptist Church, Statesville First, Bethany Presbyterian, Avery Sherrill School, Mulberry School and The Park Road Housing Project.

Two hundred and fifty of these were invited to enroll. Our response was excellent and the attendance was good for the entire eight weeks. Here again, we used trained volunteers working in small groups. Our volunteers were the key to the success of the program. They were teachers, former teachers, mothers and high school students.

The only regret that I have in the entire effort is that we were not able to have a sufficient number of centers of trained workers to take care of total number referred to us.

The first church Mocksville provided a center for that entire community with forth-three students and volunteers from a number of churches in the area.

SOUTH MOUNTAIN BAPTIST CAMP REPORT

God continues to pour out His Spirit upon our camp. Campers were made aware of His presence, His demand for the commitment, and to make Him known Around the World. Our program was built around the theme "MAKING CHRIST KNOWN!" Campers were led in a discussion each day that helped them to come to know Christ or to know Him better. Mission education is a strong emphasis in our program.

Including the staff, our average attendance was 249 each week. 4,600 attended some kind of organized acitivty. 200 attended from your association.

1,340 made a decision for Christ. 304 were saved, 949 made rededications and 84 made commitments for full time Christian service. Everyone was challenged by missionaries, missionaries' kids, and by Joshua Chow, a Chinese member of our staff. An additional 350 made decisions through the outreach ministry of our staff. We have already conducted services in 20 churches this year.

We are indeed grateful to all of the churches who let us use their cottages. It would have been impossible for us to have reached the great numbers that we did without their help.

CONSTRUCTION AND IMPROVEMENTS: Addition to the assembly building for a store, storage space, sleeping room for the boys on the staff, enlarged parking area and built a retaining wall, and sewed grass on play area near assembly, new floor and painted staff cabin, repaired and winterized Harris cottage, winterized assembly building. The missionary cottage and care taker's home is near completion and we now have bunk beds in 9 cabins.

IMMEDIATE NEEDS: Improvements of cabins and beds, single and double mattresses, picnic tables, a fireplace built in the assembly building, and a CHAPEL TO SEAT 400.

We are grateful to churches and associations who have us in their budget. Thanks to many individuals who make annual gifts to the camp. Several more churches have put us in their budget this year. Thanks to Missionary John McGee for a check for $500.00 on our chapel fund. We urge every church to help us to build this much needed chapel.

CITY AND METROPOLITAN MISSIONS DEPARTMENT REPORT

Urban Missions continues to challenge Baptists. The accelerating revolutionary character of change has made ministry hard if not difficult. Perhaps a part of this is due to the lact of the Christian response to the present challenge. Perhaps another part may be that our attitudinal factors of true perspective are out of focus. Could it be that we have lost the ability to view life as a stewardship rather than a possesion? Or the capacity to see life as dynamic rather than static?

Christianity itself is a movement, not an institution or series of institutions. Christians best refer to themselves as the people of God - persons moving along a life path, growing, maturing, learning, coming of age.

Christians can align themselves with God in ministry in this world. We must hear what God has to say. We should respond to God's summons - get involved! Metropolitan Missions is about the task of helping churches and God's people to find structures through which the uniqueness of God's creatures can be discovered and expressed. We have ministered in Jesus' name. Yet, there are others calling to us to come over and help; in the shopping center ministry, to youth and families in trouble, to weekday missions, to literacy missions, to understanding and sharing Jesus with other faiths, to crossing barriers with the gospel, to people in poverty materially and spiritually, to flexible spiritual ministry, to ministries that glorify God. "Why stand ye gazing into the sky? This same Jesus will come again." Get to work now in His Name. The people of the city need the gospel too!

CHRISTIAN ACTION LEAGUE REPORT

The Christian Action League is actively engaged in an all-out campaign to defeat the referendum in a vote against liquor-by-the-drink on November 6, 1973. The plan of action is to organize a local county chapter in each of the 100 counties of the state. A multimedia advertising campaign costing $250,000 is being projected to cover the state with the truth about what liquor-by-the-drink will do in North Carolina. All this is aimed at getting the people to the polls on November 6. Complacency on the part of dry supporters could be the biggest danger that is faced in this campaign. Dr. Charles Petty, who has recently moved to Raleigh from Texas and who is the Director of the Christian Life Council of the Baptist State Convention had this to say about "The Texas Story":

"In 1970 Texas approved liquor-by-the-drink sales. The vote was 52% for and 48% against.

The irony was that the "drys" won 203 counties while the "wets" won only 51 counties.

The "drys" lost for two basic reasons. The first was they didn't work very hard. Those in urban areas said, "We can't win, so why work?" Thus, they didn't work and urban areas were lost by wide margins.

Those in rural areas said, "We can't lose, so why work?" Thus, they didn't work and the rural areas were won by narrow margins. Unfortunately, the large urban losses offset the small rural victories which resulted in a statewide defeat of the "drys" (979,868 for LBD 914,481 against LBD)

The second reason for the defeat was an economic one. To tell your story takes money. The "wets" had it, the "drys" did not. Thus a one sided story was told and Texans believed what they were told. "Drys" must remember that every vote counts and every voter must be told the truth. "Go quickly and tell".

As concerned Christian citizens we can do several things:

1. Pray for the success of this campaign and for all of those who are involved in its promotion.

2. Help the local unit of the Christian Action League in your County in its efforts to inform the people, alert the citizens and get the dry vote out on November 6.

3. Give of your financial resources, of your time and talents in this most vital vote for the welfare of our state.

BAPTIST CHILDREN'S HOMES REPORT

Christian child care is a creative opportunity. The Baptist Children's Homes of North Carolina is committed to quality care which nurtures the whole person, physically, mentally, emotionally, and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's creation.

This has been a year of development and constructive change for the Homes. The entire agency has voluntarily met the minimum standards for child caring agencies and has been licensed by the State of North Carolina for all of our services to children and their families.

Each of the three administrative areas has realized significant growth. In the Western Area, two additional cottages have been completed and occupied at Broyhill Home and construction has begun on the administration building and the recreation building. The Maternity Home continues to operate at or near capacity in its service to unwed mothers. In the Eastern Area, a new cottage is being built at Kennedy Home and the foster care program has been enlarged.

In the piedmont area three developments deserve special attention. (1) Mills Home has a new administrative organization. The twenty cottages have been divided into four units of five each and each unit will have a unit director, two social workers, and the cottage personnel. These smaller units will provide closer working relationships between staff members, between staff and children and between staff and families. (2) Wall Home at Wallburg has been reopened to provide for a group of boys, utilizing the special skills of the houseparents in an outdoor adventure program. (3) We are negotiating with Baptists in Alamance and Mecklenburg counties for the establishment of emergency care units. These units will be joint ventures between the Homes and the local supporters, with the local group providing the buildings and the Homes operating the program of care.

Three pressing needs are laid on the hearts of Baptists who are concerned for our ministry of Christian child care. (1) We need many families who will open their homes to accept foster children. Any family interested in exploring this Christian service to children should write or call the nearest office of the Baptist Children's Homes. (2) The increase in the cost of food, clothing, supplies and services makes the Cooperative Program and the Thanksgiving Offering all the more important to our continuing services. We need significant increases in both the meet rising costs. (3) Several old cottages remain which need to be replaced with new cottages better suited to present patterns of child care. The development staff welcomes the opportunity to counsel any person regarding his lasting investment in Christian child care.

AMERICAN BIBLE SOCIETY

The American Bible Society and the Southern Baptist Convention work cooperatively as "partners" in sharing the Good News of Jesus Christ to people around the world. This is a tremendous challenge, calling for the widest possible distribution of the scriptures. Since the eternal truths of the Bible speak to the heart and mind of man, the sole purpose and mission of the Bible Societies is to make God's Word available to all men everywhere in a language and form they can easily read and understand and at a price they can afford.

To fulfill this urgent need, the Bible Societies have embarked on an abitious program for the development of Scriptures Literacy Selections to meet the rapidly mounting rate of literacy growth around the globe. This program is being built on the theme: "Let the Word Speak."

"Graded" Scriptures are being designed on five progressive reading levels to lead new readers from literacy primer levels to reading levels of the normal "common language." Before the end of the decade, these Scripture Literacy Selections will be prepared in 100 languages.

At the same time the Bible Societies are translating the Scriptures into understandable, everyday language, such as "Good News for Modern Man," the New Testament in Today's English Version, of which over 40 million copies have already been distributed--the all-time, "best-seller" in the history of paperback publications.

In addition to "Good News," "common language" Scripture translations have already been completed in Spanish for Latin America, Spanish for Europe, Dutch, French, German, Korean, Finnish and Thai, and work on 39 similar translations in other languages is already underway. All translations are being made from the original Greek.

At the present time, nearly 97% of the world's people can secure at least a portion (a single Book of the Bible) in their own language. Approximately 3,000 translators are presently at work on some 600 new translations and revisions. At the end of 1972 at least one Book of the Bible had been published in 1,500 languages and dialects--the complete Bible in 255. (At the end of 1965, the Scriptures were available in only 1,250 languages and dialects.)

During 1972 the American Bible Society:

- distributed 121,122,596 copies of Scripture within the U.S. This 34.4% increase in distribution over 1971 reflects the continued growth and interest in the use of the Scriptures.
- supplied 53% of the 1972 United Bible Societies' World service Budget, thereby providing over one-half of the year's total distribution of 218,429,595 Scriptures.
- continued to publish and distribute thousands of copies of Scripture in other familiar versions: King James and Revised Standard.
- provided 704,849 copies of Scripture for the blind in special format --Braille, records, tapes and cassettes.
- opened a new Southern regional distribution office in Atlanta,

Georgia to serve better the Scripture needs of Christians of the South.

- published "Wisdom for Modern Man: Proverbs and Ecclesiastes" in the Today's English Version. Also published at the request of the Home Mission Board and the National Student Ministries of the Southern Baptist Convention, the "Jesus" book for the January Bible Study needs throughout the SBC.
- made thousands of Scriptures available to the SBC for the 1973 nationwide evangelistic campaign, Key '73.
- invited Miss Alma Hunt, Executive Secretary, Woman's Missionary Union SBC, as a delegate to the first United Bible Societies' World Assembly in Addis Ababa, Ethiopia, in September 1972.
- provided and distributed 2,196,844 copies of Scripture at Explo '72 during June 1972 in Dallas, Texas.

Southern Baptists have long considered the American Bible Society an essential part of their worldwide mission program and support it as such.

Resolutions commending the work of the ABS and requesting churches to contribute to its ongoing support are regularly adopted by State Conventions and by the Southern Baptist Convention.

Through gifts to the ABS, SBC churches show their deep and continued interest in providing the Word of God for people everywhere in their native tongues.

Following is the record of SBC gifts in recent years:

1967	$218,509	1970	$233,185
1968	222,937	1971	240,249
1969	232,765	1972	233,752

During these past six years Southern Baptists have lead all other U.S. denominations in their gifts to the ABS. Southern Baptists can continue to lead if EVERY CHURCH will contribute. Has YOUR CHURCH given this year? A suggested goal for giving is:

Small churches	$10-$60
Larger churches	$60-$300
Larger city churches	$300-$600 (or more)

Please send all gifts from your church to your State Baptist Convention office, marked "for the American Bible Society."

ANNUITY BOARD

The Annuity Board of the Southern Baptist Convention this year added new benefits or increased benefits for most active and retired pastors, church staff members and denominational workers it serves.

For annuitants (retirees, widows and disabled persons) on the roll December 31, 1972, monthly income checks have been permanently increased by 6 per cent. Just before Christmas, 1972, more than 7,000 annuitants received "13th checks" amounting to the size of two extra months' benefits. The "13th Checks" are paid in addition to the regular monthly payments.

Participants in Plans A-10, A-11 and A-25 on January 1, 1973 had their accrued credits increased by 10 per cent in "good experience credit," and Plan B participants received an additional interest credit based on the Board's good experience on its investments. In addition, the Board approved (subject to action by state convention) an increase to widow benefits under Plan A to 50 percent of the potential or actual retirement benefit; previously it was 40 per cent. This increase applies to those retiring January 1, 1973 and thereafter.

At the same time, a temporary income benefit under Plan A was established for a widow, child or dependent parent of those who die before early or normal retirement, or after disability retirement, and who have met the required participation. The temporary income benefit can amount, at maximum, to $333.33 per month for 36 months (or a total of $12,000) if the participant died before age 40. This benefit is payable to those who died January 1, 1973 or thereafter.

More than 9,000 insurance policyholders transferred from the previous Health Benefit Plan with Blue Cross-Blue Shield to the new plan begun January 1, 1973 with Aetna Life Insurance Company.

The Board reported several records for its operations in 1972. Funds held in trust for over 38,000 participants in retirement plans passed $300 million for the first time. Investment income reached a new high for 1972 of more than $22 million. Retirement and other protection benefits paid out for the 12-month period surpassed $10 million for the first time.

The total amount of money paid in "13th Checks" exceeded one million dollars, also for the first time. Good investment results in 1972 on funds held to pay benefits account for this dividend.

Income from premiums and dues topped $30 million, another record.

Information on the Annuity Board may be secured by writing Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas Texas 75201.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

There is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that it always will be. God has brought us from one Home to five resident Homes, with two located in Winson-Salem (Resthaven and the Hayes Home), and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston-Salem, with a capaicty for 63 patients, and serving all of the Homes' residents, when nursing care is needed. Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited. They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for his great love. This, therefore, is a venture of faith.

Never forget that this is your ministry, on behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts. Specifically, during the past year, through your gifts, you contributed $185 a month for the care of the majority of the residents in your five Baptist Homes. Through the Special Offering you contributed 20% of the total income of the Homes, and through the Cooperative Program, you gave 10% of the total budget needed. The tie that binds this ministry to the hearts of our Baptist people and our Baptist Churches is a very special one and a very distinctive one indeed.

Be glad also for the fact that your love gifts make possible quality care. It has often been said of the ministry of our Baptist Homes that there is no finer care that an older person can receive this side of Heaven than the care given in our Homes for the Aging.

NORTH CAROLINA BAPTIST HOSPITAL

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 percent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department and an Oncology (Cancer) Clinic and research laboratories. This building and the above-mentioned renovation will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations. The hospital has been seeking to implement these recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its future operation.
2. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day Fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was $1,390,000--nearly four times the amount of the Mother's Day Offering--and this does not include the value of physicians' service, provided without cost to these service patients.
3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several sattlelite counseling and training centers in the state, beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black", and there has not been a general room rate increase in 2½ years. As of this date, the Mother's Day Offerings are running ahead of last year.

CHRISTIAN HIGHER EDUCATION

Churches and colleges working together;

In North Carolina, Baptist churches and Baptist colleges enjoy a supportive partnership. It is still true that most of our pastors, missionaries, church staff members and denominational leaders are educated in Baptist colleges. Another outstanding example of church-college cooperation is the Baptist Youth Corps, which provided dedicated student leadership for more than eighty North Carolina Baptist churches during the summer of 1973. On campus, the college presidents interpret to the faculty and staff that our churches and colleges play important, complementary roles in the Christian missionary enterprise.

Cooperative Program:

Your North Carolina Baptist colleges continue to be grateful for the support which comes through the Cooperative Program. During 1973, more than two million dollars will be given to support Christian higher education. Your colleges share this support as follows:

Campbell College	$ 340,721
Chowan College	212,951
Gardner-Webb College	249,153
Mars Hill College	296,002
Meredith College	296,002
Wake Forest University	517,471
Wingate College	217,210
	$ 2,129,510

The Importance of Baptist Students

The colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in our colleges because of inability to pay. The churches help to make this possible through the Cooperative Program and the Baptist College Scholarship Offering on Father's Day. Baptist colleges stress the importance of the individual student, and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrollment in one of the seven North Carolina Baptist Colleges.

Council on Christian Higher Education

Since 1945, the cooperative efforts and relationships of North Carolina Baptist colleges have been coordinated by the Council on Christian Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and the colleges as together they help to create persons and a world as Christ would have them.

BAPTIST FOUNDATION

The North Carolina Baptist Foundation, Inc., is a charitable corporation, chartered under the laws of the State of North Carolina by the Baptist State Convention in 1920. The Foundation, as an agency of the Convention, encourages, receives, and manages gifts and bequests for benefit of all Baptist institutions,agencies, and causes fostered and supported by the North Carolina and Southern Baptist Conventions. The Foundation is not a competitive agency, but a service agency dedicated to the task of undergirding all Baptist work. It encourages the donor to use the local church as a channel for directing the income from Foundation trusts to the benefiting cause. The operating expense of the Foundation is received from the Cooperative Program of the Convention.

The Foundation Executive Secretary is available to assist churches and individuals interested in a program of perpetual stewardship, particularly as it relates to estate planning, involving gifts to

Baptist institutions, agencies and causes. The Foundation provides a means for establishing trusts to benefit these Christian causes as well as providing an opportunity for perpetual stewardship witness. Through gifts of property, cash, or securities during lifetime, donors and/or other beneficiaries can receive annuities from the Foundation during their lifetime, and can also receive certain tax benefits provided for such gifts.

Responsibilities for the administration of the Foundation is vested in a fifteen-member board of directors elected by the Baptist State Convention. The present board consists of thirteen prominent and successful business and professional men and women and two outstanding pastors, all of whom are dedicated to the best management of the sacred trust funds now placed in the Foundation. The investment policy calls for investment in quality securities with diversification, good income and balanced growth potential.

At the fiscal year ending June 30, 1972, the cost or inventory value of all securities, notes and principal cash of all funds being administered by the Foundation exceeded $713,560.00, (real estate not included). During the preceding year, beneficiaries of existing trusts were paid $23,483.82. A total of $105,531.08 has been paid to Baptist institutions, agencies, and causes during the past five years from the income of invested Foundation funds.

For information relative to establishment of a trust fund through a gift or a bequest or for details regarding a gift annuity, life income agreements, or charitable remainder trusts, please contact the North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh N. C. 27611 or telephone: 919-833-1605.

STEWARDSHIP-COOPERATIVE PROGRAM

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through,in anything would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,138 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Four of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1972. These four associations were: Anson, Flat River, Tar River, and Yates.

Will you do four things?

1. Will you lead the church where you serve to increase cooperative Program and associational mission giving by 10 percent

or more?

2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?
3. Will you send your check for Cooperative Program each month to Baptist State Convention of North Carolina, P.O. Box 26508, Raleigh, N. C. 27611?
4. Will you help us have a good stewardship workshop this spring or summer, so we can: (1) Study recommendations for pastor and staff salary increases; (2) Get an overview of available program helps for each church in stewardship; and (3) Receive a report on where you are in your goals for associational and Cooperative Program giving?

BIBLICAL RECORDER

This has been another good year for the BIBLICAL RECORDER, thanks to your support and confidence. One of the milestones reached in the past year was passing the 100,000 mark in circulation. This occurred in May and circulation has now risen to nearly 106,000-the highest in the 140-year history of the RECORDER. This has been achieved largely because more churches are putting the RECORDER in the budget, thus saving money and also time and effort that is put forth each year to renew their subscriptions under the Club Plan of four or more.

All of these things are encouraging to those getting out the RECORDER each week. They feel their obligation to North Carolina Baptists is to get out the finest paper possible--one that is attractive and filled with interesting and helpful material. In addition news coverage of meetings such as the Committee of 11 is needed if North Carolina Baptists are to settle this issue which has come up in the last two state conventions. Associate Editor Toby Druin has covered every meeting of this committee which is studying the baptism issue in our state. The RECORDER will carry the full report of this committee 60 days before the convention meets in Greensboro. The RECORDER's coverage of these important meetings will do much to help messengers arrive at the right decision in November. This is the Baptist way--full information which comes with freedom of the press.

As you know, the RECORDER has for years led the fight against liquor by the drink. Now the issue is up to the people in a statewide referendum on November 6. The RECORDER will continue to give you information that will help win this fight against the liquor interests and those who would profit from liquor by the drink if this passes--which we hope and pray it won't. If individual Baptists will become as concerned about this evil as the RECORDER is, a great victory for deceny will be won in November.

Those of you who receive the RECORDER know what it contains each week--timely editorials, news of your fellow Baptist churches and fellow Christians, excellent photographs and covers, interesting personal columns. letters to the Editor, and many other features. It is a Baptist family journal devoted to that which is wholesome and helpful.

Those of you who don't get the RECORDER should subscribe immediately, either by putting the RECORDER in your budget for only $2.50 a year or by starting a club of one or more for only $3 a year. Where else can you get so much for so litte?

MUSIC REPORT

Church music has been a part of the total life of the South Yadkin Baptist Association in 1972 - 73. We rejoice in that happy fact.

Choral groups from Front St. and Diamond Hill entered the N.C. Regional Music Festivals in February.

Your music director was called uppn to lead worship periods for the Evangelism Conference at Front Street in March.

A combined choir was formed to prepare and present appropriate music, leading portions of the One-night Sunday School Revival in March.

First Baptist and Grace Baptist folk combined to present "Celebrate Life" for their own congregations. They were then sponsored by the MacDowell Music Club in another presentation for the general public.

Most churches in the Association are working together to provide singers for a 500 voice choir for the West Piedmont Crusade for Christ in the Statesville Ball Park September 9-16. Lowell Leistner, of the Bill Sauer Evangelistic Team, will be leading us. C. A. Kirby, III, will serve as accompanist. He has also headed the committee on music arrangements for the city-wide crusade.

Our voices lifted in song are fitting testimony to the joy we have in Christ. We want to help your church share in this unmistakable witness to a listening world.

ASSOCIATIONAL EVANGELISM REPORT

"SHARING CHRIST NOW" was the theme of the 27th Statewide Evangelism Conference at Ovens Auditorium, Charlotte - February 5-7, 1973. Over 2,400 pastors and lay persons were challenged by outstanding speakers to lead their people to become more involved in this work of evangelism. The closing session on Wednesday, Feb. 7, was held at Pritchard Memorial Church, with an emphasis on prayer and personal renewal.

During June 11-15 over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly, with the emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youth made various decisions, including sixteen professions of faith.

Over 16,00 youth, pastors, and adult leaders are expected to attend the 3rd Statewide Youth Evangelism Night at Greensboro Coliseum on August 17. It is exciting how God is using the witness of thousands of Christian Youth across our state in a tremendous manner.

The response of youth and adults to Lay Evangelism Schools in the past twenty months has been outstanding. 9,564 youth and adults have participated in this lay witness training from 720 churches and 34 associations. Also, 107 pastors from nine associations shared in a pastor's retreat to learn how to lead their churches in Lay Evangelism Schools.

The Division of Evangelism in cooperation with the Department of City and Metropolitan Missions will sponsor a Metropolitan Missions and Evangelism Seminar on October 1-2 at Southeastern Baptist Theological Seminary at Wake Forest with the theme: "Reaching the Cities for Christ".

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

Let us thank God for the excellent reports of revival meetings, city-wide crusades, and evangelism clinics. Remember to pray for the TOGETHER WE ADVANCE emphasis that we may strive to attain a 10% increase in baptisms, C.P. gifts, Bible Study enrolment and Assoc. Missions Gifts.

On March 1, 1973 an associational evangelism conference was held at the Front St. Church. Local preachers (Elmer Thomas, John Lyons, Carl Mintz, Frank Campbell, and Hayden Cartner) did the preaching. The emphasis was upon great doctrines. Mr. Lowell Leistner, a member of the Bill Sauer Evangelistic team, sang at each session. Those attending this conference ask that this become an annual event.

Plans are being made for a second evangelism conference March 14 1974.

The West Piedmont Crusade for Christ was held September 9-16 at Statesville High School Stadium. Over 40 area churches participated in this evangelistic effort. The cursade was led by Bill Sauer and his team. Other denominations were involved in this effort. We thank God for what He is doing in the South Yadkin Association.

WMU REPORT

This has been a good year in Associational WMU work. We have not started all the new organizations we wanted to, neither have we done in any area all that we want to do.

We have, however, done some new things this year. We began our year with a new promotion called "Giant Step". A means for the local church to use for increasing membership and enlarging organizations.

Miss Sara Ann Hobbs and Miss Martha Franks were our speakers at our 70th Annual Session of Woman's Missionary Union Auxiliary to South Yadkin Baptist Association April 24 at the Diamond Hill Church. Out theme for the session was "Pass on and carry - the Good News". Miss Franks led us in a most inspirational prayer retreat in the 7:30 session. Officers elected for 1972-73 will continue serving their second year.

On May 1 Mrs.J. D. Wyatt held our annual GA daycamp workshop for the local leaders. She was well pleased with the meeting.

On May 4 our associational Acteen leader and her council hosted and assoc. meeting for local acteens with the theme "Rounding up Acteens". The meeting rounded up some 40 acteens for fun, fellowship and inspiration led by Miss Jane Wooten and Miss Linda Crawford.

On May 15 Mrs. Margaret Andrews, State Approved BYW worker spoke at our annual "Share-In" for local BYW members.

The associational officers attented Fruitland for their training.

Plans were made to enlist buses to take our women to Charlotte and Hickory Sept. 20 and 25 for the regional WMU workshop led by the state WMU peronnel.

Our associational officers would like for you to invite us into your churches more often.

Thank you for all you do to enlist your people in mission through your WMU organizations.

Mary Johnson, director

SUNDAY SCHOOL REPORT

We have had a good year as a whole in our Sunday School work. We sponsored a Sunday School workshop for the leaders of the four departments of church Sunday Schools of our area at the Blasie Baptist Church, Mocksville. There were at least 22 churches represented.

and 148 present. We are grateful to our State Convention Sunday School Department which helped us tremendously with this project.

Also, our Sunday School department with the aid of our missionary, Bro. Thomas lined up a team of workers who went to the N. C. Baptist State Convention VBS Clinic at Wingate College in January. These came back and held two clinics in our association in March. Such a team will be trained again this year and clinics will be in the Mocksville area April 1, and Statesville area April 2, 1974.

We are having a planning meeting shortly to set forth details of our Sunday School Enlargement Campaign February 25-28, 1974. Along with this emphasis, the participating churches will be taking a census in December or January. We urge Sunday Schools to enter this desperately needed enlargement campaign.

Efforts are also being put forth to train a team of our own at a regional Sunday School meeting, to hold in our association a teacher's improvement clinic inviting church Sunday School Directors and pastors to enlist their officers and teachers to take this training.

We are thankful for the cooperation that you have given us, and call us whenever you need us to help you with a Sunday School problem.

He explained that the association was under no financial obligation, that this is not necessarily a Baptist Crusade, but the prayerful support of all churches in the area would be solicited. In January of the year the contract for the construction of the building was awarded to Continental Church Builders, Nashville, Tenn. By July 18, 1971 the building was completed and on this date was first used.

Year 1972 - Rev. Fred Carlton was called as pastor in September, 1972. In October 1972 a bus ministry was put in force, with one bus in operation. Later two more were purchased. There are now in operation two large buses and one mini-bus. The small one is called "Little Bit".

Year 1973 - In January of this year, a children's worship hour was begun. During this month a decision was made to purchase the land across the street, using the James W. Gregory, Sr. Memorial Fund as a down payment. The lot is 150 ft. x 525 ft in size. It is now being used for parking. Plans are being formulated to use the site for a pastorium and a fellowship hall. During the year, there was an organization of G.A.'s, Acteens, and R.A.'s begun. The Vacation Bible School had an enrollment of 165 and an average attendance of 153. There were 8 conversions during the school. In October of this year, we hosted the South Yadkin Baptist Associational annual meeting.

HISTORY OF COMMUNITY BAPTIST CHURCH OF DAVIE

(came under watchcare October, 1973)

The families of Rev. Martin Stubbs and Bobby Cheek saw a vision for the need of a mission in the Cooleemee area. On Sunday, March 25, 1973 the two families began meeting in the Cheek's living room each Sunday morning planning and seeking leadership of the Lord as to the location of the new mission. As weeks passed, the group felt led to a new subdivision located on Gladsone Road in Davie.

By faith, property of 2.30 acres was contracted from Goshen Lands Inc. for a future building at this time. The membership was still small, but with the help of friends and people of the mission a frame structure 24 x 50 feet was started. The South Yadkin Associational Missionary was contacted for leadership and guidance in the proper way to organize the new mission.

Dr. Ford and Dr. Smith of the Baptist State Convention of Raleigh was approached for aid and counciling. These men were very concerned and helpful. Talking with the people at the Convention boosted the morale and we knew that others were concerned about the efforts which we were doing.

The church building was completed in July and the first service was held on July 22, 1973. There were 37 present for the opening service. Rev. Martin Stubbs was called as the first pastor of the mission.

On Sept. 17, 1973, Rev. Elmer Thomas, Associational Missionary and Mr. Foster of the Fork Church, representing the Missions Committee of the association, met with the members of the mission for the purpose of getting the church status. On Sept. 23, 1973, Rev. Elmer Thomas was moderator and a council was made up of pastors from the association. The Articles of Faith and Covenant were read and adopted by the local body. After the meeting was completed the right hand of fellowship was given to the church body by the council composed of Rev. Elmer Thomas, Dr. Bill Cain, Rev. Tom Bodkin, Rev.Curtis Knowles, and Rev. Lewis Williams.

On Sept. 30, 1973 messengers were elected to represent the church to the association. They were Rev. Martin Stubbs, Mr. & Mrs. Bobby Cheek, and Mr. Henry Kyles. The representatives met with the new church receiving committee at the associational office in Statesville.

As of this date, Oct. 7, 1973, Community Baptist Church of Davie has 33 members. Three waiting Baptism. There have already been three weddings performed since the new building was completed. At the present time we have three classes and a nursery at the Sunday School hour. The Lord has blessed us so much that at the present time additional space is very much needed. We of the church have faith that our needs will be supplied as we follow the leadership of Holy Spirit

The salaries of our workers have been changed in keeping with the rise

in the cost of living. Mr. Thomas has elected that $600.00 a year of his salary go for sheltered annuity. Thus the salary is $6440.00 instead of $7040 and thus making the annuity $1304 instead of $704. Likewise the secretary should receive $2.20 per hour instead of $2.00. The work and salary of our YFS Director, Bro. Johnson is being upgraded. Mr. Johnson has been working nearly full time on about 1/5 time salary investment. We are recommending that we up his salary on our part by $25.00 per month and travel expense up $25.00. The state mission board in their working agreement with the Home Mission Budget Director will increase their part by $50.00 per month. Thus giving him a salary of $2100. This program of work must be upgraded for we do not want to lose it. You will notice the budget is only $1669. higher than 72-73. Although we are short of attaining this year's budget, this budget for 73-74 is attainable! We are asking each church to accept as their apportionment $2.20 per resident member. As our churches do this, we can make ends meet. We are recommending as usual churches state the number of associational minutes they want and send $1.25 for each copy wanted to the associational treasurer
Also, please encourage your treasurer to send their budget payments in monthly, for we need to meet our bills then. We are asking our State Missions department which has so faithfully helped us in the past to help us with $600 aid this year on our budget.

ARTICLE I: NAME

The name of the organization shall be the South Yadkin Baptist Association.

ARTICLE II: MEMBERSHIP

Section 1. This Association shall be composed of regularly constituted Baptist Churches in Iredell and Davie Counties and adjacent territory, who shall be represented at its regular or special meetings by duly elected messenters in following ratio:

During this period of watchcare such church or churches shall be entitled to all the rights and privileges of the Association except that of their members voting and holding office. At the conclusion of this period, should no objections be raised, they then become members in regular standing by action of the association.

Section 3. The New Testament shall be accepted as the sole-guide in matters of doctrine and practice, and the association shall reserve the right to withdraw fellowship from any church that does not conform thereto.

ARTICLE III: PURPOSE

The primary purpose of this association shall be to counsel together for the advancement of the cause of Christ for the promotion of unity and growth among the churches composing the association; furthermore, it is the purpose of this association to cooperate with the North Carolina Baptist State Convention and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Service.

This committee should report its work to the Executive Promotion Committee and association.

10. The Committee on Denominational Agencies. The committee shall consist of one person representing each of the following: Stewardship and Cooperative Program, Social Services, Denominational Literature, Baptist Colleges, Human Relations, and any other cause or agency deemed advisable. Now all areas have been started with a mission with the exception of one. He challenged us to work hard to put our association on a percentage budget and encourage each church to give the apportionment suggested in the book of reports.

We then sang "Leaning On The Everlasting Arms." Worth Grant, former missionary to Japan, and now with the Wycliffe Bible Translators of Washington, spoke of his work. The translators have 3,000 people helping to translate the Bible. The organization is non-denominational.

Sing! Dr. Brooks summarized the programs that N. C. Baptists have. He called on each of us to be empowered of the Holy Spirit to get our work done in the churches and urged each one of us to have a renewed dedication to bring God to all people. Dr. Brooks also spoke briefly of the Baptist Foundation whereby we can leave a trust to carry on the work all over the world even after we are gone. AMERICAN BIBLE SOCIETY

Supplying the millions of men, women and children who become new readers each year with Scriptures they can understand, is seen by the American Bible Society as one of the most pressing of the many challenges facing it today.

To bring the Word of God to every person in the world has, of course always been the sole purpose of the Society. To do so it has engaged in hundreds of programs of Scripture translation, publication and distribution by cooperating with churches and agencies that need Scriptures. But even with all these programs the Bible Society is aware that a large part of the world's people are not being reached, those whose reading ability is new or marginal.

Now there is GOOD NEWS FOR NEW READERS, a unique and extensive program that will provide special Scripture Literacy Selections on five graded levels, in 200 languages. It will enable millions of people to read the Word of God for themselves, as well as other reading material, for the first time, thus providing a basis for a more abundant life.

Over the next twelve years, 725 million Selections will be required at a cost of over $62,000,000. Already two levels are complete in 112 languages. Their ready acceptance indicates the great spiritual hunger of the world's people and the need for these unique tools. Nothing else like them exists anywhere in any language!

The American Bible Society, working through the United Bible Societies, continues to be the primary source of Scriptures for the missionary enterprise and remains constantly ready to supply the Southern Baptists' Scriptural needs in the United States and abroad.

In behalf of the Southern Baptist Convention and several of its state and local organizations, the American Bible Society has produced 16 special Scripture editions totaling over 3 million copies in 1973.

More than 249 million Scriptures - Bibles, New Testaments, Portions and Selections - were distributed during 1973 by the members of the United Bible Societies. The world total is up by 14.1 per cent over 1972, largely due to phenomenal Scripture distribution effort in Bangladesh, Columbia, Costa Rica, Indonesia, Nicaragua, Nigeria, the Phillippines, Sri Lanka, Thailand, Tanzania, and Venezuela.

In the United States, the total Scripture distribution was over 117 million - a bit less than the 1972 all-time record.

The number of languages in which at least one book of the Bible has been published by Bible Societies and other Christian organizations increased by 26 in 1973 to 1,526. The Bible Societies continue to place a high priority on contemporary language translations such as "Good News for Modern Man." To date, common-language Scriptures have been published in 36 languages.

The world's best selling paperback book, "Good News for Modern Man," the American Bible Society's New Testament in Today's English Version (TEV) reached a total circulation of more than 43 million copies by the end of 1973. TEV translation work on the Old Testament continues in preparation for the publication of the complete Bible in 1976. This translation continues to be a model for common-language work in other tongues.

The American Bible Society continues to bring new color and formats to the Scriptures produced. Distribution continues in the work for the blind with Scriptures in Braille, tape, and records. Work with Armed Forces Chaplains continues as well as work with Blacks, American Indians, Spanish, and other minority groups. The Volunteer Activities Department of the American Bible Society is growing rapidly.

In missionary fields abroad, the American Bible Society is proving its effectiveness in areas of particular interest to the Southern Baptist Convention. Bible Society work is undergirding the activity of churches in Brazil, Nigeria, Japan, Indonesia, and other countries where the Southern Baptist Convention has active missions.

Scripture Literacy Selections are being used effectively to involve more and more of the population in the Word of God. Translation and production of common-language Scriptures continues to increase as Bible Society work rapidly expands in many countries.

The American Bible Society is most grateful for its close and continuing relationship with the Southern Baptist Convention in the common purpose of Scripture distribution. However, the Society is facing growing demands for Scriptures in a world whose population is growing and whose people have a growing need for the saving knowledge of the Gospel. Therefore, the Society asks Southern Baptist churches to continue their active support and to make special efforts to support the GOOD NEWS FOR NEW READERS program.

We know we have the urgent responsibility and glorious challenge of making God's Word available to all who need and want it. This is more than a responsibility which all Christians must recognize and to which all must respond generously.

ANNUITY BOARD

The Southern Baptist Convention Annuity Board paid out a record nearly $16 million in retirement and protection benefits during 1973. This means that in the Board's history, it has now paid out over $100 million in retirement and protection benefits.

More than 9,000 retired pastors and other church-related vocational workers or their widows receive the benefits.

In addition, the Annuity Board set another record. This one was for funds held in trust for those participating in retirement and protection plans while still in active service. About 38,000 pastors, other church staff and denominational agency employees are included.

Funds held in trust exceeded $350 million for the first time, President Darold H. Morgan reported.

The Board issued another 13th Check, or extra benefit, for annuitants shortly before Christmas 1973. It amounted to wo extra months' worth of benefits and totaled $1,187,379. The 13th Check helps annuitants, whose benefits are fixed, to meet the rising cost of living. Payment of the 13th Check is over and above the 12 contracted monthly benefits and depends from year to year on investment income.

Board officials and national market experts expected the investment picture to brighten in 1974 after a poor performance in the general stock market in 1973 resulted in a deep cut in income from investments. Investment income declined to $10 million in 1973 after hitting a record of more than $22 million the year before.

The Board's decline in equity, or stock, investments paralleled the decline in the market generally, which affected all other types of investors as well. The major market indicators - Dow-Jones, Standard and Poor, and Value Line - all were down during the year.

By comparison, the Board's investments in mortgage loans and real estate lease-back proved to be profit-making for the year. In an effort to continue earning from real estate investments, the Board announced a new type of Plan C investment call land equity loans. Plan C is the Board's variable benefit plan, which supplements the basic retirement program, call Plan A, for ministers.

Additional information on the Annuity Board may be secured from Development Office, SBC Annuity Board, 511 North Akard Building, Dallas, Texas, 75201.

BAPTIST HOMES FOR THE AGING

As a Baptist, among the many vital ministries that you support are your N. C. Baptist Homes for the Aging. For over 23 years now, you have had a part in serving hundreds of older people and making tlife much happier and secure for them. You have done so through two very helpful means of income: (1) The Special Offering for the Homes, received on the 3rd Sunday of February each year; (2) The Cooperative Program. Gifts through these two sources have increased from year to year, and offerings for 1974 will perhaps exceed $350,000, providing more than 30% of the budget needed to operate 5 resident Homes and the Nursing Care Unit.

God, through you, has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two Homes in Winston-Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other Homes at Albemarle, Hamilton, and Yanceyville. In these Homes, 4 out of 5 residents depend upon your love gifts and simply could not be cared for without your help.

Of greatest signigicance during the past year, has been the decision by the Trustees of the Homes to establish a 6th Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site, overlooking the city, and with the gorgeous Blue Ridge Mountains in the background. A dedicated group of people in the Western Carolina area have organized the first initial phase of what will become, it is hoped, a major State-Wide fund-aising effort to obtain the necessary money to build this proposed Home, after approval by the General Board, and the Baptist State Convention. Church groups are encouraged to visit the beautiful site on which the proposed Home will be built, and will be served lunch, if an appointment is made in advance.

With the addition of a 6th Home for the Aging, with the spiraling cost of living, and the great and ever-increasing needs of older people, it is most urgent that our Baptist people be more generous than ever before in support for the Homes through the regular channels of the 3rd Sunday of February Offering, the Cooperative Program, and an over and above gift for the Western North Carolina Home.

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure!

NORTH CAROLINA BAPTIST HOSPITAL

In spite of the growth in size and complexity at your Baptist Hospital, the emphasis is still upon "ministering with skill and understanding." Evidence of this is a typical patient's remark recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in the business offices and chaplains in between, I was cheerfully given every personal consideration."

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed, and the South and West Wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer of 1975.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device, which combines the use of x-rays and computors, will make it possible to detect brain tumores, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and Development, in the Department of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satellite center, in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Program gifts help to support these ministries.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one half years. Nevertheless, the hospital continues to operate "in the black." The 1973 Mother's Day Offerings amounted to $375,000. At the time of this writing, our 1974 Mother's Day gifts are running ahead of the same time last year. These gifts are used to assist patients with the most urgent financial needs. A special committee of five Baptists from the Winston-Salem area assists personnel from the hospital Business Office and the Department of Denominational Relations in administering these funds.

Your hospital staff, and the people they serve, are grateful for your interest, your prayers and your financial support.

CHRISTIAN HIGHER EDUCATION

While churches and colleges are identical in their purposes, Baptist churches and Baptist colleges in North Carolina do their work in an atmosphere of mutual appreciation. This active partnership includes Baptist Youth Corps, student-led worship and revival services, visits to the campuses by pastors and other leaders, participation of faculty and staff in associational and local church programs, and special projects of promotion on behalf of the Cooperative Program.

Your seven Baptist colleges are grateful for the continuing financial support which they receive through the Cooperative Program. During 1974, approximately $2,350,000 will undergird the work of North Carolina Baptist colleges. At a very crucial and difficult time, these funds make a tremendous difference in the quality of programs offered by our schools.

The colleges make a special effort to recruit North Carolina Baptist students through pastors and superintendents of missions. No qualified student will be turned away simply because of inability to pay. Baptist colleges are anxious to enroll the young people from our churches.

After 20 years of effective leadership, **Dr.** Budd E. Smith resigned the presidency of Wingate College. On June 1, Dr. Thomas E. Corts of Georgetown, Kentucky assumed the presidency of the seventy-eight year old institution. Dr. Corts, the eleventh president of Wingate College, came to this position with excellent preparation and experience.

Our colleges - Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate - work together and with the Baptist State Convention through the Council on Christian Higher Education. The Council office is eager to assist both the churches and the colleges in the promotion of understanding and cooperation as together they deal creatively with persons in the name of our Lord.

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

Faithfulness in stewardship is a basic requirement for all Christians, I Corinthians 4:1-2. Where stewardship of material possessions is concerned, the Bible is very clear: the tithe (one-tenth) of all that we have belongs to God, Leviticus 27:30-32. The tithe is God's basic plan of support for His kingdom work in this world, Numbers 18:1-5,21,23.

Because the tithe is the Lords' and not ours, we have absolutely no authority to designate any part of the tithe to some favorite project; the tithe, all of it, is to be brought to our church where all of God's people will prayerfully use it, under the leadership of the Holy Spirit, where it is most needed, Deuteronomy 12:5-7 and Acts 3-34-35. Love offerings over and above the tithe, which are our gifts rather than God's own, are the means by which we can give extra support to our favorite work in God's kingdom. This principle is so important that God has forbidden us to raise any questions about it, Leviticus 27:33.

The Biblical principle of bringing God's tithe to the place where we worship and there determining together, in prayer, where it is most needed is almost an exact definition of a unified budget in a local church and the Cooperative Program on the denominational level.

The Cooperative Program is the plan adopted by Southern Baptists in their annual convention for meeting the kingdom needs around the world. At present the

Cooperative Program is supporting more than 5,000 missionaries at home and abroad of whom more than 3,000 are engaged in the primary work of evangelism. The remaining missionaries - doctors, nurses, etc. - have opened doors into countries that will not allow Christian evangelism to come in, but will let skilled doctors, nurses, etc. come in - and then will allow them to engage in evangelism after they are there. In addition, the Cooperative Program is supporting homes for both children and for aged people without homes, hospitals to care for the sick, schools to train both our Christian volunteers and our young business people. In any church that has a unified budget in which the Cooperative Program is included, every time anyone gives to that budget, they are participating in a world-wide program of missions.

Since churches as well as individuals should tithe, no church should provide less than the tithe for the combined work of the local association and the Cooperative Program. Many churches with the ability and the love for the Lord's work are doing mucy more than the tithe through the Cooperative Program and the local association, but no church should do less. Remember that ever excuse offered by any church for not tithing has already been given by some individual for not tithing in that local church.

Let the churches of the South Yadkin Baptist Association and in a renewed commitment to our Lord and His kingdom work in this world, bring no less than ten percent, the tithe, of the local budget for the work of the local association and the Cooperative Program, and let us give thanks to God for those churches who, by virtue of greater resources and their commitment, are giving more.

EVANGELISM REPORT

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools.

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference in Greensboro, February 4-6. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

God is greatly blessing the evangelistic ministry of our three summer youth evangelism teams. Nine college students are leading in music, preaching in youth revivals, and directing youth witness training sessions among 27 churches from Pisgah Forest to Edenton.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 10-14 for about 700 youth and adults with the emphasis on evangelism, vocational guidance and recreation.

About 15,000 youth, pastors, and adult leaders will attend the 4th Statewide Youth Evangelism Night - August 16 - at the Greensboro Coliseum. Richard Hogue, evangelist, Houston, Texas, is the guest preacher, and Darcy and Sharon Hodges are the guest soloists. Christian youth continue to share a strong witness for Jesus Christ across our state.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 29th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 3-5, 1975.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

WMU REPORT

The 71st year of the Associational WMU organization, auxiliary to the South Yadkin Baptist Association is now history.

As far as we can tell it has been a good year in most respects.

Our Annual Meeting was held at the Beulah Baptist Church, April 30, 1974 with excellent attendance. Our theme for the meeting was "Sharing Christ Through His Word." Those sharing His word with us were Mrs. B. L. Hamilton, former missionary to Pakistan and Mrs. Douglas Weems, a member of the Fairview Church. Officers elected were: W.M.U. Director, Mrs. Elmer Johnson; Assistant Director, Mrs. Ralph Bentley; Secretary and Treasurer, Miss Wanda Martin; Baptist Young Women Director, Miss Jane Wooten; Baptist Women Director, Mrs. J. C. Wooten; Acteen Director, Mrs. Charles England; G. A. Director, Mrs. J. D. Wyatt (Mrs. Wyatt later had to resign due to their moving to a new pastorate); Mission Friends Director, Miss Louise Caskaddon; Assistant Mission Friends Director, Mrs. Cathy Talbert.

Our Annual GA Day Camp Workshop was held May 20 at the Associational Office.

Our Annual Baptist Young Women "Share-In" was held September 17 at the Diamond Hill Baptist Church with Miss Nancy Curtis, State BYW Director as guest speaker.

The Associational officers trained at Fruitland August 23 and 24 and conducted our Associational WMU Leadership Clinic, September 24.

A new "organizstion" was added to our association this year. We have started mailing a WMU newsletter once a quarter to all WMU officers in each church, leaders, helpers and etc. It is our hope this will be a means of a better communication between us and you.

"To God Be The Glory, Great Things He Hath Done" and is doing and will do as we seek His leadership in all things.

BIBLICAL RECORDER REPORT

The BIBLICAL RECORDER is grateful for another good year, although these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The RECORDER has not escaped the pressures of inflation. For example, paper has risen 61 per cent already this year - and the end is not in sight.

Even so, the RECORDER has been in business for 141 years and expects to continue. A few changes have to be made, however, to keep the paper strong. As staff members have resigned or retires, they have not been replaced. Some weeks the number of pages has to be reduced to save money, but readers have been very understanding.

Despite some problems, the RECORDER is enjoying its highest circulation in history - more than 111,000 - thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their members remember the part the RECORDER played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the RECORDER has reported since the associations met last year. You will remember that approximately

70 per cent of the voters in the state voted against liquor by the drink and it was defeated in 97 of 100 counties. This should take care of this issue for awhile.

The RECORDER will continue its emphasis on local church coverage, seeking to deal with problems that every church has. Naturally, we are prejudiced, but we do not believe any publication can take the place of the BIBLICAL RECORDER. if your church does not send it to every family, may we ask a simple question: Why? At a cost of only a nickel a week for each family, this is the best investment a Baptist church can make. Put the RECORDER in the budget before it has to increase the rate because of inflation.

SUNDAY SCHOOL BOARD REPORT

Purpose - To support the Southern Baptist Convention in its task of bringing men to God through Jesus Christ by making available Bibles, lesson courses and materials, ooks, films and filmstrips, music and recordings, and church supplies and by fosering education and service programs which will help the churches to establish, onduct, enlarge, and improve their ministries of Bible teaching and Christian raining.

Significant Goals and Accomplishments - The Sunday School Board recognizes that hurches vary a great deal in their wants and needs. Some of these variances are elated to size, location, state of Christian develoopment, community environment, nd educational level. These differences require variations in basic programs and aterials. The Board has sought to understand and meet the needs of the churches ather than to try to impose on churches programs and materials developed in an ivory tower" setting. In meeting the varying needs of churches, the Board seeks o make all its materials biblically sound, physically attractive, and of acceptable uality. The aim is that every item be of superior quality.

All Sunday School Board activities are designed (1) to discover the programs hich churches may use effectively in finding, reaching, teaching, training, and eveloping people, (2) to promote such programs for use in the churches, and (3) to provide acceptable materials to support these programs.

Church growth plans, which include People to People and CHURCH: the Sunday Night Place, have already helped many churches in reestablishing a postive spirit and have turned their membership and enrolment patterns from decline to growth. These plans, along with many others in the various departments of the Board, forecast a bright future for church growth. The acceptance of these plans by association and state convention leadership has increased appreciably.

The actions that have been taken for the simplification of programs and materials have resulted in greater acceptance from our constituents. The teaching procedures in our leader periodicals have been simplified, and the response to them have been very psoitive. The field servicing of our programs is receiving excellent response in the churches, associations, and state conventions.

Financial Matters - Net sales for the year of $47,844,000 exceeded the preceeding year by 8.6 percent. Earnings available for working capital, fixed assets, and capital reserves were $2,032,000 a decrease of 8 percent below budget and 15.5 percent below last year. The decrease below last year was by design in order to provide more funds for operating programs. The decrease below budget was related to change in plans to conform to government price and profit guidelines. The Board provided funds to assist state conventions in the promotion of Sunday School, Church Training, Church Music, Student, Church Administration, Church Architecture, Church Library, and Church Recreation work in the amount of $958,878. Additionally, transfer of $321,467 was made to the Southern Baptist Convention for operating expense.

Outlook - The Board has enjoyed a happy relationship with its constituents. News stories were used 1,176 times for a total of 9,673 column inches; 4,526 visitors toured the Board; and letters of criticism were received from only 154 persons as compared to 961 for the preceding year.

BAPTIST CHILDREN'S HOMES REPORT

Christian child care is a shared adventure. We proceed by faith to build a helping relationship with children and their families in need. We cannot know in advance the final outcome, but we are confident of God's power to work in these relationships for reconciliation and healing.

Much has happened this year to strengthen the foundations for our ministry of child care. The recreation and administration buildings at Broyhill Home are nearing completion. A cottage and two staff residences at Kennedy Home will soon by dedicated. A challenge gift of $100,000 has been received for the development of Greer-Burris Home at Chapel Hill.

"The Mountain Within", a thirty-minute 16mm sound picture, has been filmed to tell the story of the Children's Homes. It was premiered at the Piedmont Area Conference September 12. Following extensive use on statewide television broadcasts, it was released for showings to churches, associations, civic clubs, and other interested groups October 1. Place your order for the film through the Department of Communications of the Baptist State Convention.

Our Piedmont Area services have expanded significantly during the past year. Mills Home continues to provide the highest quality group care to more than two hundred school age children. Wall Home has pioneered with an exciting outdoor high-adventure program for a group of teenage boys. Our first Emergency Care Home opened in Charlotte in late summer. These two homes represent a cooperative venture with the Mount Zion and Mecklenburg Associations to provide emergency care on the local scene. New foster homes have been licensed and have increased the number of foster home children in care.

The continuing good will and generous support of our friends throughout the State make possible this vigorous and progressive ministry of child care. During the past year, North Carolina Baptists gave more than a million dollars to Christian child care in the North Carolina Baptist Children's Homes through the Cooperative Program, the Thanksgiving offering, and designated gifts and offerings. Rising costs and the need for expanding services challenge all of us - staff and supporters - to continue our investment in the shared adventure of Christian child care.

MISSION COMMITTEE CHAIRMAN'S REPORT

Family camping around Lake Norman continues to be very popular. Located in a resort area, as we are, there is abundant opportunity for outreach at the campgrounds. This year, at the beginning of the camping season, a fourth campground was added to the responsibility of Area Resort Missions. Services were held at Shady Rest Campground on Highway $150, in addition to Drums Family Campground, The Pier, and Cross Country Campground. Beginning on Easter Sunday and continuing throughout the summer, there was a combined average attendance of 233 in the morning worship services. Mooresville's First Baptist Church has served as the resource point from which the mission work has been directed, with the Rev. Tom Bodkin, Minister of Missions and Education, serving as coordinator. Our Superintendent of Missions, the Rev. Elmer Thomas has conducted a number of services on the lake and also served on the ARM Board of Directors. Please pray for this ministry as it continues to provide a Christian witness among the thousands of camping families visiting our area.

CITY AND METROPOLITAN MISSIONS DEPARTMENT REPORT

The Department serves both rural and urban areas of our state.

Christian Social Missions in one major phase of the work. This ministry consists of church-community weekday missions, youth and family services, literacy missions, migrant missions and disaster relief. There are 16 missionaries jointly employed as summer student workers. This ministry exists for the purpose of bringing men to God through Jesus Christ as Saviour.

Interfaith witnessing is another phase of the Department's outreach ministry. This ministry demands skilled workmen with an intelligent and warm approach in Christian witnessing. The Department seeks to enlist and train volunteers to engage in this work.

Church extension through pastoral and lot aid assistance is a third phase of the Department's work. This is one of the oldest and continuing ministries of State Missions for urban areas.

The City and Metropolitan Missions Department is an integral part of the overall program of State Missions and is directly funded from the annual State Missions Offering. We solicit your continued prayers and support for this work. If the Department can help your church or association, please let us know.

BROTHERHOOD DIRECTOR'S REPORT

Since officially accepting this post, as of the 100th South Yadkin Baptist Association meeting during October 1973, the writer sees a great need for the laity of our denomination to better understand the purpose of the Brotherhood and their work. Education, training and communication, certainly are the key words.

First, the director must be trained, thusly, he attended the Brotherhood Leadership Training Retreat at Camp CaRAway during September 7-8, 1973. Second, in order to pass this training to others, on Monday, November 19, 1973 a Brotherhood and RA Workshop was held at the Diamond Hill Baptist Church, Statesville. During this workshop we had forty-two in attendance representing twelve churches of the association. Also, during November 1973 the director spoke during the RA Night in the association at the Southside Baptist Church, Mooresville. Incidentally, the writer is available to speak to any group of our work, therefore, on May 15, 1974 he spoke to the Brotherhood at Diamond Hill Baptist Church, Statesville and on June 5th to the Beulah Baptist Church Brotherhood.

As to the Brotherhood on a State level your director joined Brother Elmer Thomas and attended the Regional 8 Brotherhood Workshop held in Lincolnton, N. C. on May 20.

Also, the Lay Renewal Study Workshop held on May 11 in Greensboro.

From the Word of God we read...John 15:16, "Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: that whatsoever ye shall ask of the Father in my name, he may give it you."

OSTWALT - The church dedicated the new sanctuary on April 7, 1974. The building includes about 7,000 square feet of floor space. The seating capacity is 350. The building was designed by the pastor, Rev. Carl Mintz. Construction was financed by an $80,000 bond issue. With this addition, the church now has 13,270 square feet of floor space. The church valuation is $160,000.

The 3rd annual session of the South Yadkin Baptist Association was held with Eatons Baptist Church on September 7-9, 1876. The report on education contained among other things the following:

> "In regard to high female education, the Baptists of N. C. have three flourishing and well established seminaries. One at Murfreesboro, one in Raleigh, and one in Thomasville. The latter is most conveniently located for the people in this section of the state. It is under the control and management of our highly esteemed and indefatigable Prop. H. W. Reinhart whose labors in the cause of Female education have been crowned with success. His present session not withstanding the pressure of the times, is opening most encouragingly."

At this session Mr. S. J. Tatum, Mr. T. F. Eaton and Mr. D. C. Livengood gave the Sunday School Report. Follwing is an excerpt from this report:

REPORT OF THE CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA

The officers, trustees, and the Executive Director of the Christian Action League take this opportunity to express to the members of this association, convened in annual session, their appreciation for the wonderful support which you gave in the liquor campaign last fall. We are still rejoicing in the wonderful victory that God gave to us. To receive over 70% of the vote in our favor and to carry 97 counties in the state is remarkable, indeed. It is a tribute to the wonderful spirit of cooperation on the part of people like you across the state.

Recently one of the organizations that conducts surveys across the state of North Carolina included a question about the visibility which the League enjoyed in North Carolina. It was a three part question, but we include here only the first part since the latter two are not relevant to present circumstances. The question was included with ten other questions and read as follows:

DO YOU KNOW WHAT THE CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA IS?
The results were: Yes, 80.6% No, 18.6% No Answer, 8%

Thus it is revealed that four out of five persons across North Carolina know what the Christian Action is. The polling company had the following comments:..."Pretty good recognition for an organization funded mainly by...religious groups."

We are looking to the future. At the annual meeting in April, seven Task Forces were appointed, as follows:

TASK FORCE ON PRISON REFORM
TASK FORCE ON HIGHWAY SAFETY
TASK FORCE ON ALCOHOL DRUG CONTROL LAWS
TASK FORCE ON OBSCENITY AND PORNOGRAPHY
TASK FORCE ON TAX REFORM
TASK FORCE ON CAPITAL PUNISHMENT
TASK FORCE ON BANNING ADVERTISING OF ALCOHOL

Some of these groups have already met and others are meeting in the near future. Work is going on in these areas. We need your continued prayerful and financial support.

D. P. McFarland, Executive Director

gotten on after two serious back operations.

Mr. R. C. Johnson told us there was a need for a place to care for runaway children until they could be returned home.

The meeting was closed by prayer, led by Rev. Charles Bullock.

May Meeting - Rev. Hayden Cartner called the meeting to order and asked Mrs. Mary Johnson to lead in the opening prayer.

Mrs. Mary Johnson reported on the annual W.M.U. Meeting and announced plans for a night only session on April 29, 1975 at Fork Church.

The treasurer, Mr. Oxford offered printed copies of his report.

New Business -

A motion by Mrs. Mary Johnson was seconded and approved to re-elect Mrs. Fern Horn as secretary.

Mrs. Mary Johnson resigned her office as clerk of the South Yadkin Association. Her resignation was accepted and she will be supplanted by Mrs. Dorris Jones until the annual meeting in October, 1974.

A motion by Mr. Thomas was seconded and carried "That we approve the application of Community Church-Davie County for a loan from the Baptist State Convention." This loan is for $2,500.00.
Due to an error in billing, a motion was offered by Rev. Wilkinson to up-date life insurance for Mr. Thomas - $53.00 for this associational year. Motion carried.
The Executive Committee agreed to adopt the title "Director of Associational Missions" for the position held by Mr. Thomas. This was in the form of a motion by Mr. Thomas, seconded and carried.

Mr. R. C. Johnson reported on the reading program planned for the summer months in cooperation with the schools and with the aid of the State Convention, which will pay one worker for the ten weeks. The First Baptist of Statesville will also pay another worker for 10 weeks.
Mr. Thomas reported on the Lake Norman work, and Mrs. L. M. Flowers spoke enthusiastically of the new areas of work possible through films, T. V. -- a mission field of the future.

August Meeting - The Executive Promotion Committee meeting opened with Responsive Reading #512 from the Modern Hymnal. Mr. Webb led in the opening prayer.

No unfinished business came before the group.

During report time Bernard Kunkle submitted a written report and volunteered to speak for the Brotherhood at any time. Mr. Thomas reviewed the monthly report submitted by Mr. R. C. Johnson, who was on vacation. Mr. Oxford, the treasurer, also submitted

a written report. Mr. Oxford and Mr. Thomas explained that the cost of life insurance for Mr. Thomas had increased $6.24 and hospital insurance costs had increased $14.40 per year. These reports were accepted as information. The motion of Curtis Knowles to pay the increased cost of insurance was approved.
New business - Because of the resignation of several pastors who were serving on associational committees, the following changes were duly made. To serve until October, Norman Joyner will be chairman of the Missions Committee, Harvey Clark is to replace Clyde Hawkins on the Evangelism Committee, and Charles Bullock will replace Mr. Clark on the Finance Committee. All three motions were approved as presented.

The meeting closed with prayer.

Fern Horn, clerk

SOUTH MOUNTAIN BAPTIST CAMP REPORT

Christian greetings to our South Mountain Baptist Camp Friends. We first just want to say "Praise the Lord" for many victories this summer. Many of our campers say, "This has been the greatest week of my life." Others say, "What a blessing the camp program is to me." Many pastors write saying, "Our young people come home excited about serving our Lord, Jesus Christ." Thank God for these and other testimonies.

Our camp continues to grow in attendance, with an average of 237 weekly for the summer. A total of 78 came from your association. This summer, campers considered how to know Christ and how to know and do His will. They were made aware of the needs of a lost world and were challenged to share Christ throughout the world. Above all, our camp continue to grow spiritually. Decisions for Christ amounted to 1,200, of which 330 were professions of faith. "Hallelujah."

CAMP OUTREACH: Our camp staff, consisting of about 30 young people conducted worship services in 14 different churches. Over 200 decisions for Christ were made in these services.

SOMETHING NEW: For the first time, we had a sign language class taught each day for those campers who were interested in learning to communicate with the deaf. Many responded to this class.

GOOD NEWS: Kester Furniture Stores of Shelby and Hickory have donated $5,350.00 to purchase and improve the Mount Hebron cottage. It will now be called the "Kester Memorial Cottage."

CAMP CHAPEL: Our Chapel which is now under construction is closed in, insulated, has the wiring and plumbing roughed in, and has one-fourth of the ceiling completed. The grading for the Chapel was donated by Mr. Truman Williams, and Mr. J. C. Cook gave his time and machinery to saw some lumber for us. We continually praise the Lord for men like these and for the 35 other Christian men who have donated volunteer labor on the chapel. We have spend approximately $20,000 thus far on the 80 x 40 two story building.

URGENT NEEDS: We would like to see our Chapel finished by March of 1975, and we urge each church to make a worthy investment in this endeavor. We estimate this cost to be approximately $20,000. Please remember to include the camp in your budget.

Also, our Staff cabin needs some improvements along with some of our other cabins and beds. We really need some volunteer labor on our Chapel. It is a blessed fact that by giving of your means to such a ministry as this, you help preach, teach, and sing the gospel long after your voice is no longer heard in this world.

OPPORTUNITIES: We invite you to use our Camp for retreats, church picnics, field days, and other church related activities. Also, plan early for camp attendance in 1975.

If we can be of help in presenting the Camp message to your church, please contact T. A. Lineberger at 437-8308 (home) or 437-8788 (camp).

The salary of our missionary has been raised considerably, but it is still very much under the norm of associations our size. The cost of living has made this raise an absolute necessity. The Executive Committee of the association okayed the extra $600.00 a year for Mr. Thomas for annuity back in 1973. Thus the annuity is 10% of the salary base of $8,440.00 plus the $600.00. The secretary should receive $2.65 per hour instead of $2.20. The convention has promised to put $25.00 per month on their agenda as a raise in Mr. Johnson's salary next year. If this or any amount of it is not forthcoming by January, 1975, then the association will provide any shortage (or the full $25.00 per month). Also on close examination we find that car expenses for both our missionaries must be raised the 20% shown in this budget.

You will notice that this budget is only about $1,801.44 over last year's budget. However, if every church will give the committee's apportionment of $2.40 per resident member or 2.4% of their offerings, we can reach this budget and pay off much of our debt on our office building. We are asking the church to please state on their letters to the association the number of minutes they wish and send $1.25 with the letter for each copy desired. Also, please encourage your treasurer to send their budget payments in monthly for we need them to meet our bills then. We are asking our State Missions department which has so faithfully helped us in the past to help us with $600.00 aid this year on our regular budget and $400.00 on office expenses, a total of $1,000.00.

Jeff Oxford, treasurer

October 6, 1974

I have examined the books and records of the South Yadkin Baptist Association for the fiscal year ended September 30, 1974, and have found nothing to indicate the reports as submitted by the treasurer, Mr. J. E. Oxford, are not correct.

R. G. Underwood, auditor

DIGEST OF LETTERS REPORT

The Digest of Letters reveals several accomplishments during this past year which we believe are worth our pointing out:

There were 502 baptisms, only 5 short of last year's record, with Southside leadding with 72 baptisms and 37 additions, (bringing their total membership to 1,000.)

The association netted a gain of 345 church members last year bringing our total membership to 16,492. We are still gaining in Sunday School and Vacation Bible School ministries and enrolments. Although Church Training, Brotherhood and W.M.U., have a slight falling off, yet we see that Cooperative Program and other total mission gifts still have healthy increases,about $8,500 and $24,000 respectively, over the year before; this has resulted in spite of the fact that local expenditures are down. The total receipts of our churches are up by about $110,000; this reveals that in spite of our having to tighten our belts these days, a great many people are still practicing stewardship under God.

Another factor revealed is that 20 years ago you were giving $30,050 through the Cooperative Program. This past year you gave $178,555, almost six times as much as you were giving then. For total missions 20 years ago you gave $70,771, this past year you gave $341,666,about 4 1/3 times the amount in 1954.

Respectfully submitted,

Dorris Jones, clerk

YOUTH AND FAMILY SERVICES REPORT

Juvenile Court

Our working relationship with the Juvenile Court continues to be good and effecttive. Because of the constant effort put forth by all concerned the case load is being maintained on a reasonable basis. Our committment of young offenders to the State Training School has been reduced somewhat over the last two years.

School Tutorial Program

Our trained volunteer tutors are working very effectively in a number of our local schools. The superintendent, principals, and class room teachers have cooperated with us in this effort in a very excellent manner. We need more trained volunteers to fully meet the needs.

Tutoring Illiterate Adults

The reports from our volunteers who work with the non-reading adults have been very encouraging. More and more requests are being received for help in this area of our work.

Summer Tutorial Program

The response from the local schools, churches and parents for our summer program was good. We operated tutorial centers in the following areas: First Baptist Church, Statesville, Grace Baptist Church, Statesville, St. John's Baptist Church (black) Statesville, The Child Care Center, Barium Springs, Avery Sherrill School, Mulberry School, Rutherford School and the First Baptist Church, Mocksville.

It is our hope that we will be able to encourage the local churches throughout the area to provide centers and facilities to take care of our needs for next summer.

Student Summer Workers

Dr. Ernest C. Upchurch, through his department, furnished one student and the First Baptist Church, Statesville provided the funds for the other student for ten (10) weeks last summer.

We have requested the same set up for next year and have been advised that it has been approved. Also, Mr. Jim Greene, Director of the Campus Ministries, has offered to provide a third student next summer.

We are making plans at this writing to use these three students in the tutorial centers during the mornings Monday - Thursday and give them the privilege of working in the Juvenile Court each afternoon and all day on Friday.

PROCEEDINGS
Diamond Hill Baptist Church
Thursday Afternoon, October 16, 1975

THEME: "Sharing Christ by Proclaiming Liberty"

The 102nd Session of the South Yadkin Baptist Association opened with Rev. Hayden Cartner, moderator, presiding. Mr. Lynn Riddle of the Front Street Baptist Church,led us in the opening hymn "Mine Eyes Have Seen The Glory." He then sang a solo "Lonely Voices." Rev. W. C. Barkley of Faith Baptist Church, read Scripture, John 8:31-36. Rev. J.C. Huneycutt, pastor of Western Avenue Baptist Church, preached the annual sermon, "Freedom In The Light Of The Gospel." In his message he explained that freedom is not to shun our obligation to the gospel, freedom is to be set free from the power of sin and keeping freedom in the light of the gospel should be a renewed commitment to the word of God.

During the Organizational Period the clerk, Mrs. James Jones,called the roll. There were 39 churches represented. Rev. W. C. Barkley made a motion that the program by adopted. It was seconded and approved. Rev. J. B. Parker, Troutman Baptist Church, made a motion and it was seconded that Island Ford come under watchcare in our association. The motion carried. Elmer Thomas, Director of Missions, presented the new pastors in our association. They were: Winfield Strout, Berea; DeWitt Waters, Bethel; Graham Wooten, Cascade; C. F. Boykin, Jr., South River, and Darrell Fox, Island Ford. All visitors were recognized at this time. Harvey Clark, host pastor, greeted all the people on behalf of the Diamond Hill Baptist Church.

In the Report Period Mr. Jeff Oxford presented the Treasurer's Report and it was accepted as printed. Charles Bullock, chairman of the Finance (Budget) Committee and pastor of Mocksville, First, presented the budget as printed and it was accepted as printed. Mrs. R. E. Horn gave a report of the Executive Promotion Committee and one change was necessary to clarify the mission activities of the association. It should read "that Mr. Cartner, moderator, appoint a committee at the annual session to make a study and formulate the updated program and report to the next association in 1976."

N. C. Baptist Social Services Ministries was represented by the following: Rev. William Poole from the Homes for The Aging, Baptist Hospital by Rev. Calvin Knight, Children's Homes by Dr. W. R. Wagoner, Biblical Recorder by Mrs. Marse Grant and Woodrow Hill, and the Baptist Foundation heard remarks by Rev. William Poole. Mr. Cartner then read a biography of Rev. Cecil Ray, the prospective man recommended to succeed Dr. Perry Crouch. Wingate College Music department then presented a musical program featuring the "Windy Gates" ensemble. They sang "Have You Seen Jesus My Lord", "Come To The Water", "Prepare Ye The Way of The Lord", "Morning Has Broken", Heavenly Sunlight", "When I Survey The Wondrous Cross", and "Redeemed." The benediction and blessing was pronounced and we enjoyed a bountiful meal in the Fellowship Hall.

Thursday Night

The full choir of Wingate College presented a music concert including "Psalm 150", "Now Let Every Tongue Adore Thee", "What Shall I Render To My God", "The Song of Exultation", "Simple Gifts", "Wayfaring Stranger", "Balm In Gilead", "Saints Bound for Heaven", and the Wingate College Alma Mater. Dr. Thomas Corts, president of Wingate College spoke to us. His topic was "Responsibilities of Freedom In The Light of The Gospel." He used John 8:36 as his text. "If the Son of Man makes you free, you are free indeed" was the basis for his message. He reminded us we need to have something to be responsible for because responsibility means giving all of ourselves to Him or rejecting Him. Christ gives us freedom from our sins. It's wonderful to be free from our restrictions, and free to be what we ought to be. At the end of the message we all quoted with him John 8:36 "if the Son of Man makes you free, you shall be free indeed."

He reminded where Jesus Christ is preached the work goes forward and that to take Jesus into the hard places that people are needing a Saviour. Let the world know what the plan of salvation is and figure out a way to reach the masses of people who are hungry to find out about Jesus. We need to start using the mass media, T. V. and radio, and urged every pastor to buy time on radio and T. V. and preach the gospel and inform the people. The world is waiting to hear a few words of assurance that God loves them, he reminded us.

Mr. Cain led in prayer and Mrs. W. E. Foster read the list of individuals from our churches who went to be with the cloud of witnesses this past associational year. Bernard Kunkle of Beulah Baptist Church, spoke briefly about the Brotherhood and RA work. Officers for 1975-76 were presented including: Rev. E. B. Hicks, moderator; Yates Wilkinson, Vice-moderator; J. E. Oxford, Treasurer; and P. M. Johnson, Historian. All joined in singing "Our Best." Dr. Perry Crouch spoke to us on "The Christian Meaning of Patriotism." Included in his remarks were "A Christian should be faithful and loyal to his country under God! The incoming moderator, Rev. E. B. Hicks, was presented the gavel. The hymn of commitment, "Onward Christian Soldiers" was sung. Rev. E. B. Hicks dismissed us in prayer.

The Challenge - The world's population reached an estimated total of four billion people in 1974 - most of them without ready access to the Word of God. These people constitute the challenge confronting the churches, dedicated to the proclaiming of the Gospel, and the Bible Societies, dedicated to the translation, publication and distribution of God's Word.

The publication of the Word of God requires technical skill, scholarly expertise, and selfless devotion to the communication of the sacred text. The Bible Societies of the world have assumed this task, providing Scriptures in whatever languages, formats and varieties are required. But the challenge to the Bible Societies is multiplying even faster than the population increase, for new developments in Scripture translation and publication are opening up vast new audiences to God's Word.

Good News for New Readers - The single most ambitious program the Bible Societies have ever undertaken, "Good News for New Readers"was launched in September 1973 to provide special Scripture Literacy Selections on graded reading levels, for people just learning how to read. To date this program has already reached people in 70 countries. Scripture Literacy Selections on the two most elementary levels have been produced in more than 100 languages.

Meeting the demand for additional Scripture Literacy Selections, particularly in Asia and Africa will require more than $63,000,000 over the next ten years. The American Bible Society launched an appeal in 1974 inviting people to join the Fellowship of the Torchbearers for Our Lord, an organization in which members pledge a monthly gift to help finance this worldwide program.

Special Scriptures for the Southern Baptist Convention - As a primary supplier of Scriptures, the American Bible Society has for years maintained a close and continuing relationship with the Southern Baptists and their state and local organizations. In 1974, the Bible Society continued to fulfill Southern Baptist Scriptural needs with the production of 12 special Scripture editions, totalling over 1,105,000 copies.

Scripture Distribution - During 1974, 252,956,174 Scriptures were distributed throughout the world by the United Bible Societies. Of these, 87,102,185 were distributed in the United States. The subsidy required to make distribution programs possible came from the United Bible Societies' World Service Budget of $11,000,000. Half of the amount is underwritten by the American Bible Society through contributions from dedicated individuals and churches. "Good News for Modern Man," the American Bible Society's New Testament in Today's English Version reached a total circulation of 47,000,000 copies by the end of 1974. An illustrated edition of "Good News for Modern Man" was published in June with more than 200 full-color photographs of the Holy Land. The complete Bible in Today's English Version is scheduled for publication in 1976.

Other Projects - A 13-minute color film was produced in 1974 telling the story of the Good News for New Readers program. Membership in the Bible-a-Month Club continued to climb in 1974, reaching nearly 200,000. More than 10,000 persons in the U.S.A. have now enrolled as ABS volunteers. Just two years ago, there were only 1,200! Each month ABS volunteers focus on one special project: promotion and distribution of new Scriptures, Bible-a-Month Club membership and more.

Bible Work Abroad - In addition to scores of other areas, the American Bible Society maintains a strong and effective program in countries where the Southern Baptist Convention has missionary activities. Last year in such countries as Nigeria, Indonesia, Japan and Brazil production of Scripture Selections and new common language translations of the New Testament highlighted Bible Society activity. With total Scripture distribution up in most of these countries, more and more people have become involved with the Word of God.

Eastern Europe - The Bible cause in Eastern Europe embraces all aspects of Bible work; translation, production, and distribution. At the present time there are some twenty translation projects in progress with the printing of Scriptures being carried out in a number of Eastern European countries. Though Scripture distribution is very uneven from country to country, 810,000 Scriptures were distributed in all of Eastern Europe last year, an increase of 17 per cent over 1973.

Financial Support - The American Bible Society gives special thanks to the Southern Baptist Convention for its close and continuing cooperation with the ABS in supporting the Bible cause. However, in a world whose people are more than ever in need of God's Word, the demand for Scriptures is growing, as are the programs of the Bible Society which serve the church's ministry.

Therefore, the Society requests the continued support from the Southern Baptist Convention at the 1974 level - or more - plus, special, substantial and additional funds for the Good News for New Readers program.

The challenge of hundreds of millions of people hungry for God's Word confronts the Southern Baptist Convention and the American Bible Society with unprecendented responsibilities and opportunities. Working together, we can be faithful to the high calling to which we are committed.

Charles Harris,
American Bible Society Representative

ANNUITY BOARD REPORT

The Southern Baptist Convention Annuity Board serves as a lifeline of support for 10,034 retired pastors and other church-related workers or their widows.

During 1974, the Board paid about \$15½ million in retirement and other protection benefits to these annuitants. In the Board's 57 year history, it has paid a total of over \$125 million in retirement and protection benefits.

The Annuity Board also holds in trust and invests retirement contributions from 38,000 pastors, other church staff and denominational employees - which will be converted into annuity benefits when they retire.

These funds held in trust amount to a record $353,445,743! While this seems a large amount of money, it needs to be noted that this must be divided by the number of future annuitants it will serve for the remainder of their lifetimes after retirement.

The Annuity Board would have enjoyed its best year ever in 1974, but the stock market's downturn intervened. Realized and unrealized losses in income from bonds, short-term investments, and common stocks amounted to $21 million.

Gains in other investments reduced the net loss to $11.3 million, or three per cent based on average investments. All investment funds whether church-related or having other connections, suffered from the stock market decline.

As the stock market began to recover in early 1975, the losses also began to be recovered, Board President Darold H. Morgan said.

In December, 1974, the Board issued a 13th check to annuitants. It amounted to more than $675,000 and was equal to one month's benefits. It is called a 13th check because it is issued above and beyond the 12 regular monthly benefit checks distributed to annuitants.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 N. Akard Bldg. Dallas, Texas 75201.

BAPTIST HOSPITAL REPORT

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Out-patient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-Scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

During the year the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hsopital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the state. The Department has established a scholarship fund as memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

BIBLICAL RECORDER REPORT

Baptist state papers claimed more attention than usual at the 1975 meeting of the Southern Baptist Convention in Miami Beach this year. In the celebration of the 50th Anniversary of the Cooperative Program, it was revealed that they had played a tremendous part in the growth of our denomination. Louis D. Newton, denominational statesman and former editor of Georgia's Christian Index, introduced all the 33 editors of state papers and made a comparison of circulation each in 1975 with that of 1925 when the Cooperative Program was born. Many were not in existence at that time, however, but this in itself reveals something of Southern Baptist growth.

In giving a special committee report on state papers, H. Franklin Paschall, pastor of First Church, Nashville, Tenn., reported that present circulation is 1 3/4 million and recommended that the convention reaffirm its goal of getting a state paper into 2 million Baptist homes by 1980. The committee recommended a vigorous campaign in all states to help accomplish this, and also recommended that state papers be incorporated in all local church budgets.

The BIBLICAL RECORDER is one of those 33 state papers, and one of the oldest, and we hope, one of the best. In spite of continued problems for religious publications because of inflation, and skyrocketting postage costs, the circulation of the RECORDER remains above 112,000. Congregations including it in their budgets for all their families are the ones which have an informed membership. It is our hope that N. C. Churches will take seriously the recommendations reaffirmed at the Souther Baptist Convention that state papers be incorporated in local church budgets for all their member families. Already more than 1,000 churches in North Carolina are doing this, and more congregations do so each year. Pastors and deacons should inititate such action, and it should be supported by all the organizations in the church.

The BIBLICAL RECORDER has covered many sensitive issues this past year. Words of appreciation have come from Baptist pecple all across the state, for they are aware that "an informed people is the bulwark of Baptist democracy."

The RECORDER continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

Ray K. Hodge, pastor of First Church, Kinston, says: "One of the easiest tasks I have had as a pastor is to lead churches to include and keep the denominational paper in the church budget. It is such a bargain that trying to save a few dollars (by not subscribing to it for our families) is too costly. It would be like saving the expense of regular visits to the dentist, only to pay more in various ways later."

His advice is well taken.

CAMPUS MINISTRY REPORT

Although there are almost thirty of us attempting some distinctly Christian witness as Baptists or with BSU on the campuses of North Carolina, we know that we cannot do the job alone.

There will be worship periods, study sessions, fellowship hours, missions opportunities, outreach and witness groups, and attempts to make our faith "applicable" to college life from Cullowhee to Wilmington. Chaplains will be seeking to project a ministry to faculty, administrators, internationals, married and graduate students as well as undergraduates. Students will give over $7,000 for missions and send their fellows around the world as witnesses. Baptist faculty and local pastors will join us in teaching, leadership training and deepening of Christian commitments.

Of equal significance in reaching students, however, will be the work of pastors, Sunday School teachers and other committed Christians in the churches from which these persons come. It is our hope to work together in a number of ways during the coming year to strengthen each other and seek even more effective ways of service.

CHRISTIAN HIGHER EDUCATION

Baptist college in North Carolina see themselves as active participants in the Christian mission to share the Gospel of Jesus Christ with all people everywhere. In addition to the important role of preparing future lay leaders for local churches, the college continue a strong emphasis upon ministerial and church-related vocational training.

In April of 1975, our seven colleges reported a total of 715 persons who were preparing for careers in church leadership. Most of these persons will complete their preparation by attending a seminary. Southern Baptist seminaries listed an enrollment of 303 graduates of North Carolina Baptist colleges in the spring of 1975. The Foreign Mission Board has under appointment 152 of our graduates at present, more than 6% of the total number of current missionary personnel. In addition, a significant number of Baptist college trained persons serve in strategic posts with the Home Mission Board, Baptist state conventions and associational mission throughout the Southern Baptist Convention. Baptist college students receive excellent experience and training for church and missionary service through Baptist Youth Corps. Approximately 100 Baptist college students were assigned to churches for the summer of 1975. The colleges furnish one-half of the Youth Corps worker's salary, and thus enjoy a vital partnership with churches and students in summer mission work.

With the exception of what students pay, the Cooperative Program continues to be the largest single source of annual income for our colleges. In these days of financial uncertainty, the colleges are grateful for the level of support which North Carolina Baptists have maintained. During 1975, the anticipated Cooperative Program budget for the colleges will provide: Campbell College, $416,066; Chowan College, $263,333; Gardner-Webb College, $329,166; Mars Hill College $360,776; Meredith College, $360,776; Wake Forest University, $639,900; and Wingate College, $263,333.

It is accurate to say that the ministry of North Carolina Baptist colleges, as we know it today, is the direct result of Cooperative Program support and are committed to Christian values, to an active partnership with their fellow Baptists in evangelism, missions, education and social concern.

Your Baptist colleges sincerely solicit the supportive prayers of North Carolina Baptist churches, that we will be aware of and receptive to Divine guidance in performing the work which we have been given to do.

EVANGELISM REPORT

All churches will receive Proclamation 76 Planning Calendar booklets for 1975-76 and other revival materials. Each association is encouraged to plan a Simultaneous Revival among the churches during the spring (March or April) of 1976. If you do not have a Simultaneous Revival, every Baptist church is urged to plan a dynamic revival effort in the spring of 1976.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 3½ years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the fall of 1975.

"BE RECONCILED TO GOD AND MAN" was the theme of the 29th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 9-13 for 520 youth and adults with the emphasis on evangelism, vocational guidance, and recreation.

About 14,000 youth, pastors, and adult leaders attended the fifth Statewide Youth Evangelism Night - August 15 - at the Greensboro Coliseum. Dr. Bill Self, Atlanta, Georgia, was the guest preacher, and Bill and Linda Cates were the guest musicians. Christian youth continue to share a strong witness for Jesus Christ across our state.

The Division of Evangelism is cooperating with the Brotherhood Department in Lay Renewal Weekends and Renewal Evangelism.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 30th Statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville, during February 2-4, 1976.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

HOMES FOR AGING REPORT

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons, and their families, inquiring about admission to one of your five resident Homes and the Skilled Nursing Care Facility of the Homes.

Today there are some 21,000,000 Americans 65 and above, and this number, it is anticipated, will grow by over 300,000 a year in the years ahead. The needs of aging people are overwhelming, and we must strive diligently to meet those needs.

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, the Hayes Home, and the Nursing Care Unit, in Winston-Salem, and in our Homes at Albemarle, Hamilton, and Yanceyville. As God continues to bless us and lead us, we will make every effort to expand our ministry and to reach out and help as many older persons as possible in the years ahead. We can do this only by the grace of the Lord and by the increased concern and giving of our Baptist people.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and through the 3rd Sunday of February Offering for the Homes, reflect a very encouraging increase. This is great, and we are grateful especially since four out of every five persons who live in our Homes depend upon these love gifts for their care! Your love gift is a life-line to these deserving older persons, and they could not be cared for in the majority of cases, if it were not for you.

Signs on the horizon indicate that we will need greater financial support for our Homes for the Aging from our Baptist people than ever before.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge mountains of North Carolina for the proposed Western North Carolina Baptist Home. This site is a twenty-one acre tract of land overlooking the city of Asheville, better known as the Pearson Estate, on Richmond Hill, in Northwest Asheville. God Himself, we feel, has guided us in discovering this beautiful site.

Plans are in the making now to raise $1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel and activities room, and other necessary rooms. With the completion of this Home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons, and older people from Western North Carolina will have a facility to serve the hundreds in their area who will need the service of this lovely facility now and in the years to come.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself.

CHILDREN'S HOMES REPORT

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

The lives of more than 3,700 people were affected in a significant way through the services of the Homes during the past year. Daily care and related services were provided 1,524 children. Of this nummber, 1,061 were in continuing programs while 463 received casework counseling, and referral services. While we were caring for the children, a close working relationship was maintained with 2,178 adults in an effort to reestablish homes and strengthen family relationships.

New and exciting developments are in progress throughout the state. During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Homes will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These three factors characterize the relationships between the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need.

With God's continued blessing we will move together to fulfill our mission.

NORTH CAROLINA BAPTIST FOUNDATION REPORT

As revealed through a Sunday School lesson during the past year, a good foundation of discipline and training in Spiritual matters is necessary for a young life to develop in a way to withstand the pressures of life during periods of stress and strain. It is almost trite to refer to the need of a good base or foundation for any activity or project contemplated in this life. Not in anyway is there a difference for a need of the Foundation, as thought of in terms of the Baptist Foundation, when we consider the future potentialities and needs to sustain and expand mission efforts and services to bring mankind into the influence of the saving grace of God's Son, Jesus Christ.

Chartered in 1919 by the Baptist State Convention of North Carolina, the North Carolina Baptist Foundation, Inc. has sought to assist individuals throughout the state in their estate planning, providing ways to support Baptist institutions and mission work on a permanent basis. Property and funds placed with the Baptist Foundation are invested by a convention elected board of directors with the income paid annually to the institution or mission cause designated by the donor.

Individual assistance is provided Baptists throughout the state in the establishment of trusts that not only benefit the donor but also support the Christian ministries of our denomination in a lasting, perpetual way.

During the past two years, $330,070.41 has been given to the N. C. Baptist Foundation. One such gift to benefit mission work from this year forward, came in the form of a farm and other assets given by the deceased. It was determined by the tax records found in this estate, that this person will give annually three times as much for missions through the income from this trust fund, as she was ever able to earn in total wages during any year of her lifetime. So what she could not do for our Lord's work here on earth in her lifetime, she does after her life here among us has ended.

New gifts to be held in trust by the N. C. Baptist amounted to $635,079.57 during 1974-75 fiscal year. Added to the market value of assets held from previous years brings the total value to $2,331,559 as of June 30, 1975. Income from all assets held by the Foundation which have been or will be distributed to designated beneficiaries in the near future amounted to $76,257.82 for the past 12 months.

For services offered by the Foundation to individuals or churches, please contact Mr. Edwin Coates, Executive Secretary, N. C. Baptist Foundation, Inc., P. O. Box 26508, Raleigh, N. C. 27611. All inquiries and assistance are considered confidential and personal matters.

Edwin Coates, Executive Secretary

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program at a time when many others are having to reduce their outreach.

The sun never sets on your offering through the Cooperative Program, and it goes to help evangelize, to teach, to heal, as well as preach the Good News of God around the world. Consider how your gifts are used in God's service. More than 5,000 missionaries at home and in over 80 nations abroad receive a salary each month from your Cooperative Program dollar. These are the called of God to go preach, teach, nurse, doctor, and to do many other tasks. They have gone out from our churches to serve God as he directs them. Moreover the aged, the sick, the widows, and homeless children have been helped by your gifts.

Last year, 1,026 churches increased their gifts through the Cooperative Program by 15% or more, and three associations in our state had 100% of their churches giving through the Cooperative Program.

To celebrate the 50th Anniversary of the Cooperative Program let us commit ourselves to do four things:

1. Each church increase its gifts to the Cooperative Program by 15% or more.
2. Pray for your home and foreign missionaries at each service in your church during October.
3. Contribute through the Cooperative Program every month.
4. Have a stewardship workshop in the Association.

STATE MISSIONS REPORT

Southern Baptists' compassion for world missions must also include the real needs of our own counties and state. State and associational missions are indeed part of the world mission imperative. Without neglecting distant lands, we must continue to build a strong state missions program throughout North Carolina.

State missions can be divided into two major categories: (1) Strenthening ministries and (2) Lengthening ministries.

Strengthening ministries help develop local church organizations such as Sunday School, WMU, Church Training, Brotherood, etc. These programs enable local churches to realize their own mission potential. Workshops, seminars, and conferences are conducted throughout the year for the development of local church programs.

The second type of state missions are those ministries that lengthen the local church's witness. These are cooperative efforts requiring the resources of more than one church or association. Examples of these programs are resort missions, deaf ministries, chaplaincy ministries, city and metropolitan missions, church loans and lot aid, seminary extension, migrant missions, etc. Many of these ministries are co-sponsored by district associations and the Southern Baptist Home Mission Board.

All state mission ministries are in some way cooperative efforts of local churches and associations. Church and associational development, in fact, is one of the primary goals of state missions in North Carolina. The purpose is to build strong "Mission Stations" across the state as a foundation for the overall support of world missions, christian education, and benevolences.

State missions in North Carolina is supported by the Cooperative Program and the annual State Missions Offering in September.

HISTORICAL REPORT

"I know of no way of judging the future,
but by the past." - Patrick Henry

Diamond Hill Baptist Church, the co-host of this session of the South Yadkin Baptist Association, has entertained the association these years: 1943, 1955, 1964.

Diamond Hill was admitted as a member church of the association at the annual session meeting at the Trading Ford Baptist Church, Rowan County, on September 2, 1926. A contrast of the church report of that year and the year 1974 follows:

	1926	1974
Membership	30	786
Baptisms	3	19
Associational gifts	0	$1,040

Fork Baptist Church, the other co-host, was one of the 21 churches that comprised the organization of the South Yadkin Baptist Association meeting at the New Hope Baptist Church, October 17-19, 1873. An interesting contrast can also be seen in the report of this church for 1873 and the report of 1974:

	1873	1974
Membership	190	509
Baptisms	4	21
Associational gifts	$2.50	$875.00

Fork has entertained the association the following years: 1875, 1890, 1904, 1912, 1927, 1942, 1950, 1955, 1964.

Fork entertained the Yadkin Baptist Association these years: 1798, 1809, 1820, 1832, 1847, 1864.

Some of the activities involving our churches for the church year 1974-75 follows:

BLAISE - October 27, 1974, it was reported that the indebtedness on the sanctuary had been paid in full. In May 1975, the indebtedness on the Pastorium was paid in full. The Vacation Bible School enrollment was 243. During the year the men of the church began breakfast meetings each first Sunday. Blaise is the home church of Rev. Archie Jones, a missionary in Ecuador. He and his family were home on furlough during the year. A special recognition was given to them. Mr. Tony Adkins has been licensed to the ministry. He will attend Mars Hill College.

Services are held for each age group through eight years. In the September 10, 1975 issue of the Yadkin Baptist Messenger there is a very interesting article regarding the work of the pastor, Rev. Harvey Clark. Rev. and Mrs. Clark have completed six years service with the church.

75 Years Ago

The Association met with Eaton's Baptist Church. The report of the Executive Committee read in part" -

> "Your committee continued Bro. J. N. Stallings on the Rowan field. Points preaching at regularly are Chestnut Hill, Faith, Hall's, China Grove and Calvary. A house of worship is being built at Chestnut Hill. Help in completing the building is badly needed at this point.
> Brother J. L. Shinn was continued on Mooresville field and has preached at the following places in connection with Mooresville: Troutman's, Pine Valley, Kerr's Branch. Your missionary reports fine congregations at Troutman's and the work hopeful. At Pine Valley the congregations are large and seem to desire to hear the gospel preached. Bro. J. N. Bennett preached at Cleveland a part of the year and was succeeded by Bro. A. T. Hord. Bro. C. E. Beaver has been preaching at Beulah for the past six months and their church letter shows the advance they have made. Bro. J. M. Ballard was continued at Gay's Chapel and the letter from that church shows progress....."

SOUTH MOUNTAIN BAPTIST CAMP REPORT

Thanks to God for another year of victories at South Mountain Baptist Camp. As we discussed our theme, led in worship, studied about the needs of a lost world, and God's plan for our lives, the Holy Spirit moved with great power.

Including special groups over 4,000 attended this summer. In addition, 1,000 visitors attended at least one of our services. We averaged 236 in 11 camps. 83 attended from South Yadkin Baptist Association.

The Holy Spirit inspired 1,440 campers to make some kind of decision for Christ! 407 of these were professions of faith. We were thrilled to present hundreds of Star and Honor Camper awards.

Our chapel was completed enough that we could use it all summer. It was a great help to us in conducting our programs.

We are grateful to churches and individuals who helped us financially on the chapel. Thanks to many who donated free labor, equipment and material. This saved us thousands of dollars. Several memorial contributions were also made which was a great help.

To date we have spend about $45,000 on the chapel. It will take about $5,000.00 to finish it. We plan to finish the chapel, improve sleeping quarters, and other needed improvements. We still owe $8,000.00 on the chapel.

We need 50 more churches to include the camp in their budget. Some churches are assuming the responsibility of improved and maintaining a cabin.

We need a storage-workshop building (30' x 40').

Our camp is available for church picnics, day camps, and retreats during the fall and early spring.

Our camp is becoming more popular each year. Because of this fact I urge you to make reservations early next year so you will not be left out.

EVANGELISM REPORT - continued

Our South Yadkin Clinic on Evangelism was held at the Front Street Church on Feb. 27, 1975. Brother W. C. (Bill) Lamb, Director of the Division of Evangelism of the Baptist State Convention, led the pastors in an afternoon seminar and preached in the evening at the Evangelism Rally. Also, we were privileged to hear, at the Rally, a sacred concert by the Associational Men's Chorus under the able leadership of Frank Elliott.

BROTHERHOOD DIRECTOR'S REPORT

Your Brotherhood Director considers it a high honor to be caled into His service through the South Yadkin Baptist Association of North Carolina.

It will continue to be the goal of the holder of this office to emphasize education, training and communication to be of upmost importance within our association of men's work. For this reason, keep in mind that the writer is always available to speak to your church Brotherhood or RA boys.

As to activities and programs during the past year, the Father-Son RA Banquet was held on November 11, 1974 at the Southside Baptist Church, Mooresville. The Brotherhood-RA Workshop which was held on November 18, 1974 at Diamond Hill Baptist Church was most fruitful with 52 men in attendance representing 15 churches in our association. Your Director spoke before the Brotherhood-RA Breakfast on November 3, 1974 at Fork Baptist Church. Also, to the Brotherhood-RA Banquet at Hebron Baptist Church on January 25, 1975. A 3 day Development Training Workshop concerning the Brotherhood of a Baptist Church was conducted March 24-27, 1975 at Cleveland Baptist Church whereas your Director taught a 3 part Baptist Men's Study Course. On March 15, 1975 before 27 Baptist men at Faith Baptist Church your Director was the speaker and again during the Brotherhood Breakfast on May 4, 1975 at Cleveland Baptist Church.

Isaiah 55:6 "Seek ye the Lord while he may be found, call ye upon him while he is near." These are crucial days and I challenge each individual within the men's work to reach out, now, while there is still time to win the lost through "Men's Work in the Light of the Gospel."

Respectfully submitted,
Bernard Kunkle

WMU REPORT

The song says "The longer I serve Him the sweeter he grows." So it is with WMU work, each year gets better and better. We began with a new group of officers trained at Fruitland, a Workshop that was well attended, a Prayer Retreat that was low in number but high in spirit, an Acteen Associational Meeting that was the largest we ever had. Our Annual Meeting with Mike and Virgie Brown, home missionaries to Milwaukee, Wisconsin was one of the best, if not the best, we have ever had. We had over 125 for supper that day. This year has brought us two invitations to begin new WMU work in our association. This year has brought us the loss of Jane Wooten as our Associational BYW Director, but "the longer I serve Him the sweeter he grows."

Mary Johnson, Director

DIGEST OF LETTERS REPORT

The Digest of Letters reveals several accomplishments during this past associational year which we believe are worth pointing out. There were 538 baptisms; a gain of 43 professions of faith. Southside again led the association with 61 with Fairview close with 55. The membership enrolment gained 449 making a total membership of 16,941. Our Sunday Schools lost 76 members last year, but in every other department of our churches we showed a gain. Our Cooperative Program gifts gained $12,910 while our total mission gifts gained $54,228; this has resulted in spite of our slowed down economy. We still find a great many people still practicing stewardship even though we have had to tighten our belts.

Dorris Jones, clerk

RESOLUTIONS COMMITTEE REPORT

Realizing that we are the recipients of the blessings of our Heavenly Father, the salvation of His Son, Jesus Christ and the leadership of the Holy Spirit, we, the messengers to the 102nd session of the South Yadkin Baptist Association, resolve,

FIRST, to express gratitude to the work of our Associational leadership in providing both information and inspiration during the annual meeting.

SECOND, to recognize that the Program theme "Sharing Christ by Proclaiming Liberty" is a timely challenge to us as we prepare to commemorate the 200th Anniversary of our beloved Nation's history next year.

THIRD, to express appreciation to the pastors and congregations of the Diamond Hill and Fork Baptist churches for the fine manner in which they served as hosts for the two days.

FOURTH, to express thanks to our Moderator,Rev. Hayden M. Cartner, for the excellent way in which he presided over the sessions this year as well as his able leadership throughout his term of office.

FIFTH, to reaffirm our faith in Jesus Christ who "loved the Church and gave Himself for it" and to dedicate ourselves anew to the proclamation of the Gospel to the "ends of the earth."

Respectfully submitted,
Mrs. J. Harvey Clark
Mrs. E. B. Hicks

YOUTH AND FAMILY SERVICES REPORT

Juvenile Court

The relationship with the Juvenile Court staff has been very good and meaningful throughout the year. Our student summer workers were helpful in working with the youngsters who were under supervision of the court. Swimming lessons were taught by one of the students who also served as life guard for the outing at Lake Norman Mission on two occasions.

A bus trip to the N. C. Zoo in Asheboro was arranged including a lunch at Hardies. Other activities are planned for the fall and winter months including a Christmas Party by the men of First Baptist Church, Statesville.

School Tutorial Work

Our volunteers working in the schools with slow learners has been increased by enlisting and training a larger number of tutors. More and more doors are being opened to us providing greater opportunities for us to minister to an even larger number of youngsters.

Summer Reading Enrichment Program

Statesville provided five (5) Tutorial Centers with Mocksville and Mooresville providing one in each area. We worked with more than one hundred and fifty (150) students, grades 1-3 during the ten weeks during the summer.

Non Reading Adults (Illiterates)

We are working with more adults now than at any time before. Some are working with Vietnamese families in this area.

Student Summer Workers

The South Yadkin Baptist Association through a five hundred dollar ($500.00) grant from the Statesville First Church provided one student. Dr. Ernest C. Upchurch, Baptist State Convention, provided one student and Dr. Jim Greene of the Campus Ministries of the State Convention, provided one student.

Each of the three students had regular assignments in the local Tutorial Center with each having a special assignment with the Juvenile Court.

The salary of the missionary and secretary have been raised about 5%, which is reasonable under present conditions. The secretary should receive $2.75 per hour. Mr. Johnson's salary needed to be raised considerably that he might receive the maximum which social security will allow him. We must pay $1,260.00 if the convention matches this amount. Mr. Johnson's work has caused juvenile deliquency to decrease in our area.

This budget is only about $1,800.00 more than last year's. Our committee is asking the churches to give $2.60 per resident member or 2.6% of their regular offerings. We know of 1 church that is already giving 3% and it is a relatively small church. If all our churches will adopt their goal asked by the committee, we can reach this budget, pay much of our building indebtedness, and put at least $1,000.00 in our mission lot fund. Church leader, please get this before your church on business meeting night. We rally to Home and Foreign Mission needs! Surely we shall rally to the needs of people in our own area, will we not? This is missions, too!

Please encourage your church treasurer to send associational missions support checks monthly that we may meet our bills then. We are also asking the church to signify on their church letter to the annual association how many copies of the minutes they want and send a check with their letter for $1.25 per copy. We are asking our State Missions Department again to help us with $1,000.00 toward this budget.

*This was $800.00 in the tentatively discussed budget, however advance in prices for the coming year will bring this to at least $1,000.00.
